

2026 Wyoming State Fair

**HEALTH FORM
FOR ALL LIVESTOCK**

A completed WSF Health Form, signed by an accredited veterinarian, listing each individual animal's identification, must accompany all livestock exhibiting at the Wyoming State Fair (WSF). The Health Form must be signed by an accredited veterinarian within 14 days of entry to the Wyoming State Fairgrounds. This form should be turned in before unloading animals. See page 17 of the 2026 Premium Book for more details on health requirements.

Exhibitor Name: _____ Contact # During Fair: _____
 Exhibitor Address: _____ County: _____
 Parent/Guardian: _____ Contact # During Fair: _____

This form is not valid if incomplete or missing required signatures.

Signature of Parent/Guardian (for under 18 exhibitors): _____ Date: _____

By signing this form, the parent/guardian agrees to abide by all the Wyoming State Fair regulations and health requirements.

LIVESTOCK HEALTH & COMPLIANCE

ANIMAL HEALTH REQUIREMENTS

A completed WSF Health Form, signed by an accredited veterinarian, listing each individual animal's identification, must accompany all livestock exhibiting at the Wyoming State Fair. The Health Form must be signed by an accredited veterinarian within 14 days of entry to the Wyoming State Fairgrounds.

- All animals except poultry and rabbits need a health form. Poultry and rabbits will continue to have on-site health checks prior to their respective shows.
- For youth livestock exhibitors, the WSF health form must be presented before unloading livestock.
- For open livestock exhibitors, please turn in your health form to the species superintendent upon arrival on the fairgrounds and before unloading.
- All livestock entering the grounds may be subject to inspection by WSF veterinarian(s) upon entry and throughout the fair.
- Animals with active ringworm, lesions, or warts easily visible without close examination are not permitted to exhibit.
- Any animal showing evidence of infectious, contagious, or communicable disease may be immediately removed from the grounds and held in isolation until further testing is completed or released to the owner's premises.
- The WSF Health Form may be found in the Forms section of this book and online at www.wystatefair.com/exhibitors

BRAND INSPECTION REQUIREMENTS

A brand inspection is required on all cattle, horses, mules, and sheep moving intrastate across a county line prior to entry. A brand inspection is also required on all cattle, horses, mules, and sheep leaving the Wyoming State Fair and Rodeo moving intrastate across a county line or interstate leaving the State of Wyoming. Documents need to be presented for inspection at time of animal health check-in. More information on brand inspection law is available at the Wyoming Livestock Board website: <https://wlsb.state.wy.us/public/brand-inspection>

OUT OF STATE ANIMALS

All animals entering Wyoming for the fair must comply with both the import requirements of the Wyoming Livestock Board and the specific regulations of the Wyoming State Fair. Detailed information is available at: <https://wlsb.state.wy.us/public/brand-inspection>

WASTE REMOVAL

All animal, feed, and bedding waste material from the State Fair goes to a recycling site to be composted. We need your assistance in the recycling efforts. Please keep your animal, feed, and bedding waste separated from your regular man-made garbage. It is the responsibility of each Exhibitor to keep stalls, pens, and/or exhibit areas clean and neat. In order to keep the barns in presentable order for guests, we ask the following of you:

- Have stalls cleaned and refuse material placed in the designated sites before 8:00 PM each evening.
- After 9:00 AM, all refuse is to be removed to the nearest designated refuse container
