

Wyoming State Fair & Rodeo
2022 GOLF CART USE RULES AND GUIDELINES

Only licensed drivers or those persons who are sixteen (16) years of age or older may drive golf carts that have been donated or leased to Wyoming State Fair/State of Wyoming. “Donated” means supplied by a commercial business or sponsor for use as needed by W.S.F. “Learner” or “Student” driver permits are NOT valid driver’s licenses. Personal golf carts will comply with W.S.F. Personal Golf Cart Registration Rules and Guidelines. Golf carts owned by a member of a Wyoming State Fair committee are considered personally owned even if donated to and for use by that committee and will be registered as such. Safety comes first. Persons who fail to operate a golf cart in a safe, responsible manner may lose on-park privileges as determined by state fair management.

The term “ATV” includes all commonly recognized All Terrain Vehicles (ATVs), Off-Road Utility Vehicles (ORVs), or Recreational Utility Vehicles (RUVs) including, but not limited to, Polaris Ranger, Polaris RZR, Yamaha Rhino, Kawasaki Mule, and any other non-golf cart utility vehicle. Only the WSF staff or the contracted Security company are allowed to operate ATVs on the fairgrounds.

Golf Cart Rules & Guidelines for Use

1. You are cautioned to drive slowly and exercise extreme caution when operating any type of motor vehicle on the Wyoming State Fair Park.
2. A golf cart permit must be purchased at a fee of \$220 per cart and proof of insurance will be required for each golf cart. To date, ATV’s are only allowed for permit by the contracted security company for the W.S.F. and W.S.F. maintenance staff. No exceptions.
3. Each golf cart must be registered with the Exhibitor Office located by the Rotary building immediately upon arrival. The W.S.F. Exhibitor Office will issue an official W.S.F. permit for each registered golf cart which must be displayed thereon for the duration of the fair. Failure to register a golf cart will result in a cart being seized by Security for the remainder of the fair OR until registration is made and the fee is paid in full.
4. Livestock and pedestrians have the right of way. Exercise extreme caution around livestock.

5. Be aware that children are present throughout the park, and they often don't watch for traffic.

6. Golf carts are not permitted in the carnival area or down the main midway during the hours of ten o'clock a.m. to eleven o'clock p.m., with the following exceptions: disabled services, security personnel, the contracted vendor superintendent and maintenance/repair crew.
 - a. Always lock and secure the golf cart when not being used, such as when storing overnight.
 - b. Never back up without looking to see what is behind the cart.
 - c. Never shift gears while the vehicle is in motion.
 - d. Never exceed a safe speed.
 - e. Never operate the golf cart with more passengers aboard than the golf cart is to accommodate.
 - f. Reduce speed to compensate for livestock, pedestrians, and weather conditions.
 - g. Maintain adequate distance between vehicles.
 - h. Approach sharp or blind corners with caution.
 - i. Keep hands, legs, feet, and arms inside the confines of the golf cart when it is in motion.

All persons that will be operating a donated or leased golf cart must read these rules and guidelines prior to being issued a golf cart permit. Any person failing to comply with the rules and guidelines for operation will be reported to the contracted security company, and you will lose golf cart driving privileges on the Wyoming State Fairgrounds. If the violation is of sufficient severity, the golf cart may be confiscated on the spot by Security or the golf cart company in charge of golf carts. Violations of severe nature will be turned over to the Douglas Police Department for investigation.
