**Definition** – A quilt must be constructed from fabric with a top piece and a back piece with batting in between the fabrics and must be quilted and bound.

**PRE-PRINTED PANELS:** All entries that are a commercially pre-printed and/or pre-quilted panel should be entered in the **Bedcover Division class 510-3**. If you have pieced (consisting of more than just adding borders and binding) a pre-printed panel into a quilt top that you have then quilted, it can be entered in the appropriate class in Division 509.

All embellishments need to be a planned and properly executed technique pertinent to the quilts competition classification.

**Professional** is one who teaches quilting for fees, makes a practice of selling labor/or completed works, or has been a previous Best of Show winner twice in the non-professional class.
