

Tractor Drivers Wanted

Do you enjoy working with large equipment or tractors? Are you good at tilling, moving, and leveling dirt? Do you have experience at working arenas for competitive events? Then we have a job for you! The Wyoming State Fair and Event Complex is looking for someone with drive and skill to operate tractors during the summer show season and during the annual Wyoming State Fair. Pay is very competitive and dependent upon experience. If you're willing to learn, we will train the right individual, and online safety training will be required.

If this is something that inspires you, send inquiries to reba.talbott@wyo.gov or call 307-358-2398 and ask for Reba.

Duties:

- Drag arenas for shows multiple times per day
- Care and maintenance of equipment
- Apply water on arena ground with implement

Skills preferred:

- Knowledge of tractors/farm equipment
- Knowledge of implements, arena drags, water tanks, etc.
- Knowledge of ground/arena footing is a plus, but will train the right person
- Availability for weeklong events and weekends
