2024 ANIMAL HEALTH REQUIREMENTS

Based on the September 2022 board directive, the WSF will defer to the Wyoming State Veterinarian (who is under the authority of the Wyoming Livestock Board) for guidelines on Certificates of Veterinary Inspections (CVI) and brand inspections. Exhibitors should be prepared to show ownership documentation upon request. Animals traveling from outside Wyoming are required to meet the rules for interstate travel. For further information, please refer to the Wyoming Livestock Board website, wlsb.state.wy.us/public, email lsbforms-applications@wyo.gov, or call 307.777.7515.

ANIMAL HEALTH REQUIREMENTS

A completed Certificate of Veterinary Inspection (CVI) listing individual animal official identification must accompany all livestock exhibiting at the Wyoming State Fair. The CVI must be issued by an accredited veterinarian within 30 days of entry.

- Electronic CVIs will be accepted.
- Both electronic and paper CVIs must be readily available upon request.
- Wyoming Livestock Board (WLSB) veterinarians will be checking CVIs and potentially inspecting every animal.
- All livestock entering the grounds may be subject to inspection by WLSB veterinarians upon entry or throughout the fair.
- Animals with active ringworm lesions or warts easily visible without close examination are not permitted to exhibit.
- Any animal showing evidence of infectious, contagious, or communicable disease may be immediately removed from the grounds and held in isolation until further testing is completed or released to the owner's premises.

Interstate livestock requirements may be found on wlsb.state.wy.us/public or at interstatelivestock.com. Questions may be directed to the Wyoming Livestock Board, 307.777.7515, or lsbforms-applications@wyo.gov.

BRAND INSPECTION REQUIREMENTS

A brand inspection is required on all cattle, horses, mules, and sheep moving intrastate across a county line prior to entry. A brand inspection is also required on all cattle, horses, mules, and sheep leaving the Wyoming State Fair and Rodeo moving intrastate across a county line or interstate leaving the State of Wyoming. Documents need to be presented for inspection at time of animal health check-in.

A Special Thank You!

To the dedicated individuals of the Wyoming Livestock Board and the State Veterinarian's Office, who inspect thousands of animals during the Wyoming State Fair to help keep Wyoming's animal agriculture healthy and safe. We appreciate you.

WASTE REMOVAL PARTNERSHIP

You and the Wyoming State Fair have the responsibility to have refuse disposed of in an appropriate manner.

All animal, feed, and bedding waste material from the State Fair goes to a recycling site to be composted. We need your assistance in the recycling efforts. Please keep your animal, feed, and bedding waste separated from your regular man-made garbage. It is the responsibility of each Exhibitor to keep stalls, pens, and/or exhibit areas clean and neat. In order to keep the barns in presentable order for guests, we ask the following of you:

- Have stalls cleaned and refuse material placed in the designated sites before 8:00 PM each evening.
- After 9:00 AM, all refuse is to be removed to the nearest designated refuse container

Thank you for your cooperation!

WOOL - FFA - 4-H

1. **Wyoming State Fair Management reserves the right to interpret all rules and arbitrarily settle all differences and questions not adequately addressed in this guide.**
2. **Rules and Regulations.** Compliance with *General Rules and Regulations* apply. It is the responsibility of each exhibitor to be familiar with all applicable rules and regulations. Read on page 9.
3. **Health and Animal Welfare.** All animals must meet *Livestock Health and Welfare Requirements*. Read on page 11.

5. **Exhibitor Eligibility.** Bona fide Wyoming 4-H and Wyoming FFA members in good standing are eligible to enter and participate as a representative of their respective county 4-H program or FFA chapter. Youth must have exhibited/shown at their respective and most recent county fair.
Separate 4-H and FFA Animal Entries. Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their FFA SAE or their 4-H project and enter the correct classes/divisions endorsed by the applicable organization.
6. **Entry Process.** Entries are completed by the members' respective FFA Advisor or 4-H Educator. Read on page 9.
7. **Ownership.** All livestock must be owned by the individual member by the following dates:

Market Beef - February 1
Horses/Dogs - May 1
Market Lambs, Swine, Goats, Poultry - June 1
Meat Rabbits - 80-day rule
All Other Youth Livestock - June 1

8. **Tagging/Identification.** All MARKET animals shown must be properly tagged with an approved 15-digit RFID ear tag. Market animals not having the proper RFID tags in place will not be eligible to show. Tag must match tag recorded at tagging by FFA/4-H/county and submitted by the tagging deadlines established (Beef- Feb 24, all other species- June 24).
9. **All youth animal exhibits for beef, goats, swine, and sheep are required to remain on exhibit for the duration of fair. Animals must arrive by 5:00 PM on Monday prior to fair and will be released on Sunday starting at 8:00 AM following fair.**
10. **Youth Animal Fitting Policy:** Exhibitors must be present for and actively participate in the fitting of their animals. In the interest of safety and education, an exhibitor may be assisted at the Wyoming State Fair in the fitting of their animal. Assistance is defined as a learning opportunity where the person doing the assisting is educating the youth exhibitor on the technique of ethical fitting as outlined within the premium book. Anyone found in violation of this rule may be subject to immediate disqualification or removal from the fairgrounds by State Fair Management.
Unethical Fitting at the Wyoming State Fair is defined as: the injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law, or any drug that is used in a manner prohibited by Federal, State or Local Law; the injection or internal or external administration of any product or material, whether gas, solid, or liquid, to an animal that conceals, enhances, or transforms the true conformation, configuration, breed, condition, or age, or by making the animal appear more sound than otherwise would appear; the administration, use, or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes; tissue manipulation, removal, surgical attachment, or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair/wool or hair/wool substitutes, cloth, or fiber; any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef, sheep, swine, or goat carcasses.
Maintaining the integrity of the meat derived from the livestock exhibited at the Wyoming State Fair is the primary reason for the policies and procedures. Most of the market animals shown at the WSF were previously shown and sold before entry to the WSF. Exhibitors have a moral and ethical responsibility to produce meat that will be safe for the consuming public.
11. **Stalling/Pens.** All Youth show animals must be housed in the designated Youth section, unless given special written permission by the Youth Livestock Superintendent of the species in question, in cooperation and agreement with the applicable Open Show Superintendent.
12. **Bedding.** There is no bedding provided. Exhibitors must provide their own bedding. Read page 11.
13. **Livestock Trailers.** No livestock trailers can be parked on the grounds without proper permits displayed on the trailer. Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. See page 9.
14. **Feed Delivery Vehicles.** Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. See page 9.
15. **Blocking Chutes, Trim Tables, Fitting Stands, and Fans.** All livestock fans must be suspended. No fans attached to a cart or dolly. No butt fans. No fans in pedestrian walkways. Fans or equipment in use by exhibitors that is deemed to be obstructing safety or space, needed pen space, or facility operations will be requested to be removed by State Fair management. Safety guidelines, as set by the Wyoming State Fire Marshal, must prevail.
16. **Judges/Judging.** All judges' decisions are final. No person shall be permitted to judge a class in which he/she may be competing for an award or have ownership of any animal or article entered in such class. Judges are earnestly requested to familiarize themselves with the Rules & Regulations of this show. If any exhibitor interferes with the judges in the performance of their duties by letter, act, or otherwise, he/she shall be excused from competition and exhibition for such period as Management may determine and shall forfeit any awards received at this fair. Any person not an exhibitor who interferes with the judges in any manner during the performance of duties shall be asked to leave the judging arena.

Unsportsmanlike Conduct. Unsportsmanlike conduct will not be tolerated, and offending exhibitors may forfeit awards and premiums, be dismissed immediately from the fairgrounds, and/or lose future eligibility at the Wyoming State Fair. This is considered a violation of the *National Code of Show Ring Ethics*. Read pages 11-12.

- 17. Reporting Violations.** Witnessed violations of the Youth Show Rules should be reported to an adult to then be addressed as follows:
1. To the FFA Advisor or 4-H Educator of the member whose entry is involved.
 2. If the situation is not resolved, report to the state organizational leadership of the member. (State 4-H Coordinator or State FFA Advisor)
 3. If the situation is not resolved, report to a member of the WSF Youth Show Committee to review.
 4. If the situation might need legal attention, an appeal can be made through the WSF formal protest process only after steps 1-3 have been followed.
- 18. Protests.** All formal protests from the Youth Livestock Show must be made by a current Youth Livestock Show exhibitor and must be submitted in writing, be signed by the Youth exhibitor(s), and be accompanied by \$100 cash or certified check (fee refunded if protest is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the State Fair Director immediately after the occasion for the protest. A protest pertaining to eligibility is most suitable when submitted prior to judging. No complaint or appeal that a judge overlooked an entry will be considered. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit evidence. A decision may be withheld until a complete investigation can be made.
- 19. Suggestions/Comments.** Any person or group is encouraged to offer constructive comments and/or provide recommendations to improve the Wyoming State Fair Youth Livestock Show experience, to benefit all Wyoming youth show participants, at the present time and for the future. Comments may be made by visiting www.wystatefair.com.

GENERAL YOUTH LIVESTOCK POLICIES AND PROCEDURES

1. All Youth livestock entries are to be made online via ShoWorks from the county level. Entry deadline is Friday, August 9, 2024 (11:59 PM) for youth horse show, and 6:00 PM, Saturday, August 10, 2024 for all other youth entries.
2. All Youth Show exhibitors must have medical release forms from their respective youth organization.
3. Each FFA or 4-H exhibitor in this department is required to pay a processing fee as a condition toward application for entry. Processing fees are established as follows: \$20.00 per head for beef cattle (breeding, market, feeder calf, and cow/calf pair); \$15.00 per equine (halter and performance); \$10.00 per head for all alpaca, sheep (breeding and market), swine (breeding and market), and all goats; \$3.00 per rabbit; \$3.00 per bird (poultry); and \$3.00 per wool fleece. This fee shall be paid for every animal registered for exhibit, even if said animal is not ultimately shown.
These fees are to be paid in full (or a club/school voucher submitted to WSF) by the deadline of 8:00 PM, Monday, August 12, 2024. If fees are not paid in full, the exhibitor(s) will either forfeit the right to compete in the 2024 Wyoming State Fair or must pay a late processing fee of \$50 per county and/or chapter to be accepted.
4. Based on the board directive in September of 2022, the WSF will defer to the State Vets for guidelines on CVIs and Brand Inspections. For information regarding Certificates of Veterinary Inspection and brand inspections, please refer to the State Vet guidelines available at <https://wlsb.state.wy.us/public>.
When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the State Fair Veterinarian and recommend an action to the Fair Management. Said animal may be dismissed or quarantined, if necessary.
All livestock brought to the Wyoming State Fair must be accompanied by a current brand inspection, when applicable.
5. **NOTICE: Advisors and/or Agents making entry for the Youth Livestock Show are to figure animal head count/stall/pen needs accurately and properly, especially in the case where facilities have specified limits for space allowed per county and/or chapter. Those individual counties/chapters who exceed allocation shall be fined \$100.00 and the processing fees for the upcoming (next State Fair) year shall double (i.e., \$10.00 sheep fee goes to \$20.00) for all youth livestock shows. No exceptions. Honesty and integrity are the guide.**
6. During official class judging, only the exhibitor will be allowed in the show ring. In case of exhibitor sickness or other emergency, an animal may be shown by a substitute exhibitor, providing the substitute is a bona fide Wyoming 4-H or FFA member, and the Show Superintendent grants permission in writing and is recorded in advance of the show for an animal class. In Showmanship Classes, exhibitors must show their own animal.
7. Youth exhibitors are encouraged to enter Open Class shows. Online entries close July 24th, but most shows will accept late entries. Please see each Open show for details on fees and deadlines. Youth sheep exhibitors must enter the Open Sheep Show by 6:00 PM Thursday, August 15. **Please note registration paper requirements for Open Class Entries.** Original registration papers, or photocopies thereof, must be presented for all animals entered in classes so requiring. **Absolutely no "appiled for" registrations will be accepted.**
8. Wyoming State Fair Management encourages Youth Show exhibitors to wear 4-H or FFA emblems while exhibiting.
9. In case the total department premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management to meet budget.
In the case where no donor is designated, there will be no special award presented.
10. If a Premier Exhibitor award is given, it is based upon total points won by an exhibitor in the division. First place ribbons count as 5 points, second place ribbons count for 3 points, and third place ribbons count for 1 point. All other placements are 0 points.
11. There will be no dogs allowed in the Livestock Barns. Please review the guidelines and policy for dogs in the front of this book.
12. Each Youth member having livestock for show is required to keep their display area clean and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards.
13. Herdsmanship is an important component of the youth show, and youth groups not meeting minimal daily herdsmanhip requirements may forfeit awards/premiums from the show. Stall cards are to be completed and on display for the duration of the fair.

ANIMAL DRUG TESTING

The Wyoming State Fair will continue drug testing Market Swine, Beef, Goats and Sheep. For these market species, drug testing will be mandatory for the top five placement winners and randomly selected market animals from each species

WHY

At the Wyoming State Fair we value education, animal welfare, protecting the food chain, and fostering fair competition. Drug testing is a valuable tool to help exhibitors and families to understand the possible implications of using substances on their animal.

HOW

By 5 PM on Tuesday (opening day) of the Wyoming State Fair, exhibitors must turn in a Quality Assurance Certificate and Statement of Disclosure (Drug Declaration) form for each animal to the Exhibitor Office drop box. These forms can be found at wystatefair.com or picked up at the Exhibitor Office.

GRANDS & RESERVES

Sample collection will take place immediately following the judge's selection by Jordy Drug Testing, or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to the secured area and remain with the animal until a sample has been successfully collected, sealed and signed by Jordy Drug Testing and the exhibitor's adult representative (or the exhibitor if 18 or older). Chain of custody best practices shall be followed. Buckles will be presented ring-side and used for photos, then held at the Wyoming State Fair office until the test results have come back negative or are deemed excusable by the review panel. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their buckles and premiums.

RANDOM TESTS

Prior to animals entering the show ring, a class and placement will be announced that will be required to do a random drug test. Immediately after judging, Jordy Drug Testing, or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to a secured area and remain with the animal until a sample has been successfully collected, sealed and signed by Jordy Drug Testing and the exhibitor's adult representative (or the exhibitor if 18 or older). Chain of custody best practices shall be followed. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their premiums.

CONSEQUENCES FOR POSITIVE TESTS

Upon receiving a positive test result from Texas A&M, a review panel will determine whether the result is excusable, and if inexcusable, the consequences for the exhibitor. The determination made by the review panel is final and not eligible for protest.

In the event of a positive test, the Wyoming State Fair will notify the exhibitor of the positive test and of the opportunity to contest the results by (1) requesting a test of the split sample, (2) providing written explanation and supporting documents for why the animal had a positive drug test result, or (3) both. The selection of the laboratory, or choice of laboratories, to be used for the testing of any split samples shall be determined by the Wyoming State Fair. The exhibitor is solely responsible for all costs associated with the testing of their animal's split sample. If an exhibitor elects to contest, the exhibitor must, within 15 days of receiving notice of the positive test result: (1) submit a written request for a test of the split sample along with proof that the exhibitor has paid the selected laboratory all costs associated with the test; (2) submit written explanation and supporting documents, if any, for why the animal had a positive drug test result; or (3) both. If the exhibitor fails to do either of the above, within the time provided, the exhibitor waives any right to contest.

To determine whether the original results are inexcusable and if consequences are warranted, the review panel will review the original drug test results, the split sample test results, if applicable, and any documents submitted by the exhibitor. If the review panel deems the original positive test inexcusable, the exhibitor will forfeit premiums and awards for the animal that tested positive.

Additionally, consequences for an inexcusable positive test may range from a 1-3 year probation period to a 1-3 year suspension period. During a probation period, the exhibitor's market livestock exhibits must be drug tested upon arrival at the Wyoming State Fairgrounds. The exhibitor will be responsible for drug testing fees during the probation period. During a suspension period, the exhibitor will not be permitted to show during the Wyoming State Fair.

In the case of a positive test resulting in disqualification, placements will not advance up.

GENERAL FFA POLICIES

1. All entries in the FFA Department must be from a Wyoming High School Agricultural Education Department and must be certified FFA projects. All members and chapters must be in good standing with the State Association.
2. All qualifying contests fall under the specific guidelines of the state contest for which the FFA member intends to qualify. (Example: County Showmanship for State FFA Showmanship.)
3. Read carefully the General Policies & Procedures and Youth Dormitory Regulations of the Wyoming State Fair. FFA exhibitors and advisors will abide by all applicable policies.
4. FFA Exhibits buildings open to receive entries at 8:00 AM, Monday, August 12th. All exhibits must be checked in and be in place no later than 5:00 PM, Monday, August 12. Exhibits shall not be released until 6:00 AM, Sunday, August 20. (Open Static releases at 7:00 AM.)
5. FFA member project entries in Agronomy, Ag Mechanics, and Classroom should be made out in the member's name, and member's complete address must be included.
6. All FFA chapter Agronomy, Ag Mechanics and Classroom entries should be made in the Chapter name and Chapter address.
7. A processing fee will be made for FFA exhibits in the Youth Livestock Department. Applicable fees will be charged where FFA entries compete in Open Class. All entries must be made with the approval of, or through, the respective Agricultural Education Instructor (A.E.I.).
8. **DORMS:** Each student attending the State Fair and staying in the dormitory must furnish their own bedroll and personal items. Cots and mattresses will be furnished. Information on the cost of dormitory room, meals, insurance, and registration will be sent out by the State Office. All students must have medical release forms. Each student not staying on grounds will purchase daily grounds admission.
9. **DORMS:** All chapter advisors having students in attendance at the State Fair representing their local school and FFA chapter and housed in a State Fair-provided dormitory **must** stay with their students and be responsible for the actions of their students at all times. Teachers will make certain in advance that their members are properly chaperoned in either the Girls Dormitory or Boys Dormitories. All FFA livestock exhibitors are expected to stay in the dormitory with their chapter advisor, but at the discretion of the chapter advisor, an exhibitor may produce and submit an affidavit or release of liability signed by the student, parent(s) or guardian, the chapter advisor, and local school administrator to transfer the supervision of that student to another, relieving the chapter advisor of his/her responsibility to that child. This would therefore grant the student the ability to seek alternative accommodations which would be suitable to all parties involved. Failure to provide an affidavit or release, or failure to comply with this rule, will result in student dismissal from State Fair participation. All youth using the dormitory facilities will be responsible for the cleaning of the dorms throughout the week. Any member leaving the dormitory between night curfew and 5:00 AM must have the permission of an adult advisor/chaperone to do so.

Agriculture Mechanics

DIVISION 1701

10. **CHAPERONES:** Advisors must provide a chaperone for every 10 students, or arrangements must be made for these students to be properly chaperoned at all times. Directions will be given from Stacy Broda for online registration in dorms and youth livestock reservations. Online registration must be completed Saturday, August 10th by 6:00 PM.
11. Any FFA member exhibiting at the Wyoming State Fair will not consume alcoholic beverages or other illicit drugs, regardless of age. Any youth identified with liquor or drugs will be sent home and will forfeit all awards and premiums. Any further disciplinary actions will be at the discretion of the local school or county involved.
12. Any violations of rules pertaining to member conduct (disorderly conduct, fighting, insubordination, etc.) will result in action taken by the Dorm Committee and/or State FFA Advisor.
13. **Livestock Fitting Policy:** An FFA member is expected to fit their own animal at State Fair. However, in the interest of safety and education, an FFA member may be assisted by another bona fide Wyoming 4-H or FFA member. Assistance is defined as a learning situation where the person doing the assisting is teaching the FFA member a technique in fitting or showing. This person is allowed only to show the FFA member the proper skill or techniques, and the FFA member is expected to perform the majority of each technique/skill required. Violations of this rule must be reported to the Show Superintendent before the animal enters the ring. A decision by the Youth Show Committee will be made before the animal is allowed to enter the ring. If an FFA member is found to be in violation of the fitting rule, they will be disqualified from competition in any FFA or Youth Show Division contest at the Wyoming State Fair, including Showmanship Contests.
14. All designated committees will be responsible to resolve any problems arising in their competition area.
Dorm Committee: Troy Gladson, Kristi Holum, Mike McConnell, and Grace Godfrey.
15. **GRIEVANCES:** FFA Eligibility (exhibit or exhibitor): All grievances pertaining to the eligibility of an exhibit or exhibitor must be submitted in writing and accompanied by cash or certified check for \$50. If the grievance is allowed, the check and/or cash will be returned. The grievance must be submitted to the Event Superintendent and must be submitted with 24 hours of the infraction. The Grievance Committee will be composed of the Event Superintendent, Livestock Superintendent, and a State FFA Office Representative. The decision of this group will be final.
16. All chapters are responsible for keeping their dormitory area clean and leaving it clean upon departure. Any gross infraction of this policy will result in the withholding of that chapter's premiums.
17. **Absolutely no mistreatment of animals will be tolerated, and infractions may result in immediate dismissal of member from the grounds.**
18. **All FFA members must attend the FFA Exhibitor Meeting with their Advisor on Monday, August 14 at 9:00 PM, in McKibben Cafeteria.**
19. **CREDENTIALS:** Wristbands, season meal tickets, event tickets, advisor parking, and feed trailer passes **will be issued to advisors/educators only.** None will be issued directly to FFA exhibitors or their families. Individuals not staying on grounds will be required to purchase daily grounds admission if other proper credentials are not purchased. One day shows/events (rabbit show, etc.) are exempt from the wristband fee, but will purchase daily admission. Admission to specific youth activities will be based upon properly applied wristbands only. No Exceptions.
20. **ENTRY INSTRUCTIONS:** The class code must include the Division number and Class number. EXAMPLE: If you are entering Agronomy in Noxious Weeds; your class entry would be: **1702-4** (1702 for Agronomy Division; 4 for Class 4-Noxious Weeds.)
NOTE: A Chapter may only have one chapter entry number.

1. Entries will be judged on the basis of workmanship, evidence of sound planning, number and degree of skills involved, practicality and agricultural usefulness of the entry.
 2. All entries must be student's work and result from the training program in Agriculture Mechanics.
 3. The judges reserve the right to re-enter entries in classes in order to make up more judgeable groups of entries.
 4. Judges shall give greater consideration to an item built entirely by the student rather than a pre-fabricated item.
 5. Entries in Class 1 must be mounted on display boards that may be any size less than 2 feet by 4 feet. Display boards may represent several students' work. Points from these classes will have equal value with other similar classes in judging sweepstakes. Individual items not mounted will not be judged. Boards not meeting the specifications will be placed lower than those boards that do.
 6. All entries must be removed from equipment and placed in proper class area to be judged. Example: pickup bumpers and stock racks.
 7. All projects not of quality will not be judged. This will be left to the discretion of the Agriculture Mechanics Committee. The items must be removed from the display area.
 8. Any entries in the Agriculture Mechanics Class that are found to have been shown in previous years will disqualify that chapter for all premiums for the current year in the Agriculture Mechanics show. The Agriculture Mechanics Committee shall have the responsibility for making this decision.
- 9. SCORECARD FOR SELECTING CHAMPION AND RESERVE CHAMPION AGRICULTURE MECHANICS PROJECTS**
- a) **WORKMANSHIP (50%):**
