2024 ANIMAL HEALTH REQUIREMENTS

Based on the September 2022 board directive, the WSF will defer to the Wyoming State Veterinarian (who is under the authority of the Wyoming Livestock Board) for guidelines on Certificates of Veterinary Inspections (CVI) and brand inspections. Exhibitors should be prepared to show ownership documentation upon request. Animals traveling from outside Wyoming are required to meet the rules for interstate travel. For further information, please refer to the Wyoming Livestock Board website, wlsb.state.wy.us/public, email lsbforms-applications@wyo.gov, or call 307.777.7515.

ANIMAL HEALTH REQUIREMENTS

A completed Certificate of Veterinary Inspection (CVI) listing individual animal official identification must accompany all livestock exhibiting at the Wyoming State Fair. The CVI must be issued by an accredited veterinarian within 30 days of entry.

- Electronic CVIs will be accepted.
- Both electronic and paper CVIs must be readily available upon request.
- Wyoming Livestock Board (WLSB) veterinarians will be checking CVIs and potentially inspecting every animal.
- All livestock entering the grounds may be subject to inspection by WLSB veterinarians upon entry or throughout the fair.
- Animals with active ringworm lesions or warts easily visible without close examination are not permitted to exhibit.
- Any animal showing evidence of infectious, contagious, or communicable disease may be immediately removed from the grounds and held in isolation until further testing is completed or released to the owner's premises.

Interstate livestock requirements may be found on wlsb.state.wy.us/public or at interstatelivestock.com. Questions may be directed to the Wyoming Livestock Board, 307.777.7515, or lsbforms-applications@wyo.gov.

BRAND INSPECTION REQUIREMENTS

A brand inspection is required on all cattle, horses, mules, and sheep moving intrastate across a county line prior to entry. A brand inspection is also required on all cattle, horses, mules, and sheep leaving the Wyoming State Fair and Rodeo moving intrastate across a county line or interstate leaving the State of Wyoming. Documents need to be presented for inspection at time of animal health check-in.

A Special Thank You!

To the dedicated individuals of the Wyoming Livestock Board and the State Veterinarian's Office, who inspect thousands of animals during the Wyoming State Fair to help keep Wyoming's animal agriculture healthy and safe. We appreciate you.

WASTE REMOVAL PARTNERSHIP

You and the Wyoming State Fair have the responsibility to have refuse disposed of in an appropriate manner.

All animal, feed, and bedding waste material from the State Fair goes to a recycling site to be composted. We need your assistance in the recycling efforts. Please keep your animal, feed, and bedding waste separated from your regular man-made garbage. It is the responsibility of each Exhibitor to keep stalls, pens, and/or exhibit areas clean and neat. In order to keep the barns in presentable order for guests, we ask the following of you:

- Have stalls cleaned and refuse material placed in the designated sites before 8:00 PM each evening.
- After 9:00 AM, all refuse is to be removed to the nearest designated refuse container

Thank you for your cooperation!

1. **Wyoming State Fair Management reserves the right to interpret all rules and arbitrarily settle all differences and questions not adequately addressed in this guide.**

5. **Exhibitor Eligibility.** Bona fide Wyoming 4-H and Wyoming FFA members in good standing are eligible to enter and participate as a representative of their respective county 4-H program or FFA chapter. Youth must have exhibited/shown at their respective and most recent county fair.
Separate 4-H and FFA Animal Entries. Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their FFA SAE or their 4-H project and enter the correct classes/divisions endorsed by the applicable organization.
6. **Entry Process.** Entries are completed by the members' respective FFA Advisor or 4-H Educator. Read on page 9.
7. **Ownership.** All livestock must be owned by the individual member by the following dates:

Market Beef - February 1
Horses/Dogs - May 1
Market Lambs, Swine, Goats, Poultry - June 1
Meat Rabbits - 80-day rule

8. **Tagging/Identification.** All MARKET animals shown must be properly tagged with an approved 15-digit RFID ear tag. Market animals not having the proper RFID tags in place will not be eligible to show. 9. **All youth animal exhibits for beef, goats, swine, and sheep are required to remain on exhibit for the duration of fair. Animals must arrive by 5:00 PM on Monday prior to fair and will be released on Sunday starting at 8:00 AM following fair.**
10. **Youth Animal Fitting Policy:** Exhibitors must be present for and actively participate in the fitting of their animals. In the interest of safety and education, an exhibitor may be assisted at the Wyoming State Fair in the fitting of their animal. Assistance is defined as a learning opportunity where the person doing the assisting is educating the youth exhibitor on the technique of ethical fitting as outlined within the premium book. Anyone found in violation of this rule may be subject to immediate disqualification or removal from the fairgrounds by State Fair Management.
Unethical Fitting at the Wyoming State Fair is defined as: the injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law, or any drug that is used in a manner prohibited by Federal, State or Local Law; the injection or internal or external administration of any product or material, whether gas, solid, or liquid, to an animal that conceals, enhances, or transforms the true conformation, configuration, breed, condition, or age, or by making the animal appear more sound than otherwise would appear; the administration, use, or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes; tissue manipulation, removal, surgical attachment, or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair/wool or hair/wool substitutes, cloth, or fiber; any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef, sheep, swine, or goat carcasses.
Maintaining the integrity of the meat derived from the livestock exhibited at the Wyoming State Fair is the primary reason for the policies and procedures. Most of the market animals shown at the WSF were previously shown and sold before entry to the WSF. Exhibitors have a moral and ethical responsibility to produce meat that will be safe for the consuming public.
11. **Stalling/Pens.** All Youth show animals must be housed in the designated Youth section, unless given special written permission by the Youth Livestock Superintendent of the species in question, in cooperation and agreement with the applicable Open Show Superintendent.
12. **Bedding.** There is no bedding provided. Exhibitors must provide their own bedding. Read page 11.
13. **Livestock Trailers.** No livestock trailers can be parked on the grounds without proper permits displayed on the trailer. Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. See page 9.
14. **Feed Delivery Vehicles.** Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. See page 9.
15. **Blocking Chutes, Trim Tables, Fitting Stands, and Fans.** All livestock fans must be suspended. No fans attached to a cart or dolly. No butt fans. No fans in pedestrian walkways. Fans or equipment in use by exhibitors that is deemed to be obstructing safety or space, needed pen space, or facility operations will be requested to be removed by State Fair management. Safety guidelines, as set by the Wyoming State Fire Marshal, must prevail.
16. **Judges/Judging.** All judges' decisions are final. No person shall be permitted to judge a class in which he/she may be competing for an award or have ownership of any animal or article entered in such class. Judges are earnestly requested to familiarize themselves with the Rules & Regulations of this show. If any exhibitor interferes with the judges in the performance of their duties by letter, act, or otherwise, he/she shall be excused from competition and exhibition for such period as Management may determine and shall forfeit any awards received at this fair. Any person not an exhibitor who interferes with the judges in any manner during the performance of duties shall be asked to leave the judging arena.

Unsportsmanlike Conduct. Unsportsmanlike conduct will not be tolerated, and offending exhibitors may forfeit awards and premiums, be dismissed immediately from the fairgrounds, and/or lose future eligibility at the Wyoming State Fair. This is considered a violation of the *National Code of Show Ring Ethics*. Read pages 11-12.

- 17. Reporting Violations.** Witnessed violations of the Youth Show Rules should be reported to an adult to then be addressed as follows:
1. To the FFA Advisor or 4-H Educator of the member whose entry is involved.
 2. If the situation is not resolved, report to the state organizational leadership of the member. (State 4-H Coordinator or State FFA Advisor)
 3. If the situation is not resolved, report to a member of the WSF Youth Show Committee to review.
 4. If the situation might need legal attention, an appeal can be made through the WSF formal protest process only after steps 1-3 have been followed.
- 18. Protests.** All formal protests from the Youth Livestock Show must be made by a current Youth Livestock Show exhibitor and must be submitted in writing, be signed by the Youth exhibitor(s), and be accompanied by \$100 cash or certified check (fee refunded if protest is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the State Fair Director immediately after the occasion for the protest. A protest pertaining to eligibility is most suitable when submitted prior to judging. No complaint or appeal that a judge overlooked an entry will be considered. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit evidence. A decision may be withheld until a complete investigation can be made.
- 19. Suggestions/Comments.** Any person or group is encouraged to offer constructive comments and/or provide recommendations to improve the Wyoming State Fair Youth Livestock Show experience, to benefit all Wyoming youth show participants, at the present time and for the future. Comments may be made by visiting www.wystatefair.com.

GENERAL YOUTH LIVESTOCK POLICIES AND PROCEDURES

1. All Youth livestock entries are to be made online via ShoWorks from the county level. Entry deadline is Friday, August 9, 2024 (11:59 PM) for youth horse show, and 6:00 PM, Saturday, August 10, 2024 for all other youth entries.
2. All Youth Show exhibitors must have medical release forms from their respective youth organization.
3. Each FFA or 4-H exhibitor in this department is required to pay a processing fee as a condition toward application for entry. Processing fees are established as follows: \$20.00 per head for beef cattle (breeding, market, feeder calf, and cow/calf pair); \$15.00 per equine (halter and performance); \$10.00 per head for all alpaca, sheep (breeding and market), swine (breeding and market), and all goats; \$3.00 per rabbit; \$3.00 per bird (poultry); and \$3.00 per wool fleece. This fee shall be paid for every animal registered for exhibit, even if said animal is not ultimately shown.
These fees are to be paid in full (or a club/school voucher submitted to WSF) by the deadline of 8:00 PM, Monday, August 12, 2024. If fees are not paid in full, the exhibitor(s) will either forfeit the right to compete in the 2024 Wyoming State Fair or must pay a late processing fee of \$50 per county and/or chapter to be accepted.
4. Based on the board directive in September of 2022, the WSF will defer to the State Vets for guidelines on CVIs and Brand Inspections. For information regarding Certificates of Veterinary Inspection and brand inspections, please refer to the State Vet guidelines available at <https://wlsb.state.wy.us/public>.
When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the State Fair Veterinarian and recommend an action to the Fair Management. Said animal may be dismissed or quarantined, if necessary.
All livestock brought to the Wyoming State Fair must be accompanied by a current brand inspection, when applicable.
5. **NOTICE: Advisors and/or Agents making entry for the Youth Livestock Show are to figure animal head count/stall/pen needs accurately and properly, especially in the case where facilities have specified limits for space allowed per county and/or chapter. Those individual counties/chapters who exceed allocation shall be fined \$100.00 and the processing fees for the upcoming (next State Fair) year shall double (i.e., \$10.00 sheep fee goes to \$20.00) for all youth livestock shows. No exceptions. Honesty and integrity are the guide.**
6. During official class judging, only the exhibitor will be allowed in the show ring. In case of exhibitor sickness or other emergency, an animal may be shown by a substitute exhibitor, providing the substitute is a bona fide Wyoming 4-H or FFA member, and the Show Superintendent grants permission in writing and is recorded in advance of the show for an animal class. In Showmanship Classes, exhibitors must show their own animal.
7. Youth exhibitors are encouraged to enter Open Class shows. Online entries close July 24th, but most shows will accept late entries. Please see each Open show for details on fees and deadlines. Youth sheep exhibitors must enter the Open Sheep Show by 6:00 PM Thursday, August 15. **Please note registration paper requirements for Open Class Entries.** Original registration papers, or photocopies thereof, must be presented for all animals entered in classes so requiring. **Absolutely no "appiled for" registrations will be accepted.**
8. Wyoming State Fair Management encourages Youth Show exhibitors to wear 4-H or FFA emblems while exhibiting.
9. In case the total department premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management to meet budget.
In the case where no donor is designated, there will be no special award presented.
10. If a Premier Exhibitor award is given, it is based upon total points won by an exhibitor in the division. First place ribbons count as 5 points, second place ribbons count for 3 points, and third place ribbons count for 1 point. All other placements are 0 points.
11. There will be no dogs allowed in the Livestock Barns. Please review the guidelines and policy for dogs in the front of this book.
12. Each Youth member having livestock for show is required to keep their display area clean and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards.
13. Herdsmanship is an important component of the youth show, and youth groups not meeting minimal daily herdsmanhip requirements may forfeit awards/premiums from the show. Stall cards are to be completed and on display for the duration of the fair.

ANIMAL DRUG TESTING

The Wyoming State Fair will continue drug testing Market Swine, Beef, Goats and Sheep. For these market species, drug testing will be mandatory for the top five placement winners and randomly selected market animals from each species

WHY

At the Wyoming State Fair we value education, animal welfare, protecting the food chain, and fostering fair competition. Drug testing is a valuable tool to help exhibitors and families to understand the possible implications of using substances on their animal.

HOW

By 5 PM on Tuesday (opening day) of the Wyoming State Fair, exhibitors must turn in a Quality Assurance Certificate and Statement of Disclosure (Drug Declaration) form for each animal to the Exhibitor Office drop box. These forms can be found at wystatefair.com or picked up at the Exhibitor Office.

GRANDS & RESERVES

Sample collection will take place immediately following the judge's selection by Jordy Drug Testing, or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to the secured area and remain with the animal until a sample has been successfully collected, sealed and signed by Jordy Drug Testing and the exhibitor's adult representative (or the exhibitor if 18 or older). Chain of custody best practices shall be followed. Buckles will be presented ring-side and used for photos, then held at the Wyoming State Fair office until the test results have come back negative or are deemed excusable by the review panel. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their buckles and premiums.

RANDOM TESTS

Prior to animals entering the show ring, a class and placement will be announced that will be required to do a random drug test. Immediately after judging, Jordy Drug Testing, or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to a secured area and remain with the animal until a sample has been successfully collected, sealed and signed by Jordy Drug Testing and the exhibitor's adult representative (or the exhibitor if 18 or older). Chain of custody best practices shall be followed. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their premiums.

CONSEQUENCES FOR POSITIVE TESTS

Upon receiving a positive test result from Texas A&M, a review panel will determine whether the result is excusable, and if inexcusable, the consequences for the exhibitor. The determination made by the review panel is final and not eligible for protest.

In the event of a positive test, the Wyoming State Fair will notify the exhibitor of the positive test and of the opportunity to contest the results by (1) requesting a test of the split sample, (2) providing written explanation and supporting documents for why the animal had a positive drug test result, or (3) both. The selection of the laboratory, or choice of laboratories, to be used for the testing of any split samples shall be determined by the Wyoming State Fair. The exhibitor is solely responsible for all costs associated with the testing of their animal's split sample. If an exhibitor elects to contest, the exhibitor must, within 15 days of receiving notice of the positive test result: (1) submit a written request for a test of the split sample along with proof that the exhibitor has paid the selected laboratory all costs associated with the test; (2) submit written explanation and supporting documents, if any, for why the animal had a positive drug test result; or (3) both. If the exhibitor fails to do either of the above, within the time provided, the exhibitor waives any right to contest.

To determine whether the original results are inexcusable and if consequences are warranted, the review panel will review the original drug test results, the split sample test results, if applicable, and any documents submitted by the exhibitor. If the review panel deems the original positive test inexcusable, the exhibitor will forfeit premiums and awards for the animal that tested positive.

Additionally, consequences for an inexcusable positive test may range from a 1-3 year probation period to a 1-3 year suspension period. During a probation period, the exhibitor's market livestock exhibits must be drug tested upon arrival at the Wyoming State Fairgrounds. The exhibitor will be responsible for drug testing fees during the probation period. During a suspension period, the exhibitor will not be permitted to show during the Wyoming State Fair.

In the case of a positive test resulting in disqualification, placements will not advance up.

- Any beef animal inadvertently entered in the wrong class may be assigned to the correct class. Animals that do not fit into established classes will not be allowed to show.

- No breeding cattle will be shown without birth dates supplied to WSF.**
- Any violation of the following policies will result in immediate disqualification of the exhibitor from the Youth Beef Show. Further forfeiture of awards, future privileges and disciplinary action may be taken.
 - No use of any artificial tail head, tail fin, artificial poll, or adding any hair or hair-like substance.
 - No showing of livestock of any ineligible age or showing unethically fitted livestock. Unethical fitting is deemed to consist of any method which alters the natural conformation of any part of the animal's body, or any animal having been operated on or tampered with for the purpose of concealing faults or with the intent to deceive.

- The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for dehorning. Cattle are to be shown in their natural conformation. - Unfitted is defined as no compounds used on hair, hooves, or skin. Clean, dry, combed hair is acceptable.
- Classifying the Market Beef at the State Fair does NOT mandate similar procedures at County Fairs. Showing cattle by height is advantageous only when sufficient numbers are available to ensure some uniformity. County Fairs may be best served by classifications based on weight or a combination of both hip height and weight.
- Cattle are required to be stalled in the barn from 8:00 A.M. until 7:00 P.M. each day. **ALL TIE-OUTS MUST BE IN THE BARN BY 8:00 A.M. AND REMAIN IN THE ASSIGNED STALLS UNTIL 7:00 P.M. - Rules and Regulations: General Youth Livestock Policies and Procedures apply to this division as well as those rules listed below.
- This is a one-day carry-in cage show. Each cage must be self-contained.
- Due to the rapid development of diseases in rabbits, rabbits will be inspected at an animal health inspection site, off grounds, prior to entry on grounds. Any rabbit showing symptoms of disease shall not be allowed on grounds or shall be removed from the show area immediately. Any associated costs will be the responsibility of the owner, and all entry fees will be forfeited.
- Rabbits do not necessarily need to be pedigreed or registered or meet ARBA standards; however, exhibitors are encouraged to breed and show high-quality individual rabbits.
- No more than two rabbits may be shown in each class by the same exhibitor. Due to small numbers, varieties in many breeds will be shown together. No rabbit entries will be accepted the day of the show.
- If an animal is shown in a Fur Class, it must also have been shown in its respective Breed Class. Animals disqualified for reasons other than health may still show in the Fur Class. Fryer fur animals should be shown out of a meat pen only.
- Instruction sheet and comment card(s) will be handed out during check-in starting at 8:00 AM. Complete comment

- card per instructions and be sure to put rabbit's class number in the upper right corner of comment card.
- Rabbit identification sometimes slows down the show. To speed up that process, exhibitors are asked to have all rabbits tattooed in the left ear. Please record tattoo number on the coop card. Valid entries from the county or chapter should include the computer entry plus a coop card.
- Wyoming State Fair encourages Youth Show exhibitors to wear 4-H or FFA emblems. These emblems may be on any long-sleeved garment. That garment cannot contain ARBA or individual rabbitry names or emblems.
- There are four separate showmanship contests for rabbits: FFA Showmanship • Senior 4-H Showmanship • Intermediate 4-H Showmanship • Junior 4-H Showmanship. There will be no premiums paid for Rabbit Showmanship classes.
- Herdsmanship is an important component of the youth show and youth groups not meeting minimal daily herdsmanship requirements may forfeit awards/premiums from the show.
- Current classes and varieties are the result of trends over the years. Additions and deletions are made each year based upon the trends shown by coop card numbers.,
- ENTRY INFORMATION:** The Class Code must include the Division number and Class number. **EXAMPLE:** If you are entering a Californian Senior Buck, your class entry would be **1618-6 (1618** for Youth Rabbit Show division; and **6** for Californian Senior Buck class.

Youth Breeding Sheep

DIVISION 1619

SHOW TIME

Thursday, August 15, 8:00 AM
following 4-H Sheep
Showmanship

1. Breeding sheep in breed classes must be registered. Every animal entered as purebred (registered) must have a registration paper issued by the respective breed association. Registered animals must be registered in the exhibitor's name, exhibitor's immediate family name or exhibitor's farm name, or FFA chapter name, and must be done so prior to ownership deadline. A duplicate of the original breed certificate must be presented to the Show Superintendent/Coordinator and on file by Tuesday of fair week at 9:00 AM. No "applied for registration" allowed. Tattoos, ear tags, or other identification marks must match registration certificates.
2. **Commercial Classes:** Sheep in Breed D and N (Commercial Crossbred Wool Type and Commercial Crossbred Wether Type) are not required to be purebred or registered, but must be individually identified by scrapie tag number on a bill of sale/brand inspection that proves ownership prior to ownership date. **A duplicate of ownership papers is to be presented to the Show Superintendent/Coordinator and on file by Tuesday of fair week at 9:00 AM.** All sheep not registered will show in these classes. Due to the absence of breed certificate, Commercial Crossbred Wether Type ewe lambs will show by weight.
3. **Slick Shorn vs Fitted:** Slick Shorn shall be defined as having been shorn within 10 days of processing. The presence or absence of head wool on shorn lambs will follow National Breed Standards. Exhibitors are not permitted to use artificial coloring, paint/powder/airbrushing, or any foreign substance to cosmetically alter the natural color pattern of the Slick Shorn animal. Fitted Sheep shall be defined as having at least 1" of wool on the majority of the body. Fitted sheep shall be exhibited according to National Breed Standards that apply to the fitting of that breed. Unethical fitting practices will result in disqualification.

The following breeds will have an option of showing in a Slick Shorn class or a Fitted With Fleece class:

- a) Dorset
- b) Hampshire
- c) Suffolk
- d) AOB Meat
- e) Commercial Crossbred Wether Type

The following breeds will be shown as Fitted With Fleece. No Slick Shorn exhibits in these breeds allowed.

- a) Columbia
- b) Targhee
- c) AOB Wool
- d) Commercial Crossbred Wool Type

4. Fitted sheep will be housed in the Open Sheep barn. If an exhibitor has both Fitted and Slick Shorn sheep, they may house them together in the Open Sheep barn; however, exhibitors with only Slick Shorn sheep will be house in the Youth Sheep Barn.
5. All ewe/ram lambs must still have their lamb teeth with no exposure of yearling teeth. If a lamb has lost a temporary incisor or has visible signs of permanent incisors, the lamb will be placed in the yearling class. Lambs are subject to being mouthed at the discretion of the show management at any time.
6. A Breeder's Flock shall consist of one eligible age ram, 2 yearling ewes, and 2 ewe lambs. Best Four Lambs shall consist of four lambs of either sex. All animals in a breeding group class must be owned by one individual and shown in either 4-H or FFA, but not both.

7. Should 25 head or more be entered in any class, the class will be randomly split into two subclasses for elimination judging. No premiums will be paid for subclasses.
8. **Youth show exhibitors are encouraged to enter the Open Sheep Show with enteries and fees due by 6:00 PM, Thursday, August 15 at the Open Sheep Show Office. No late entries will be accepted.**

Fleeces shown at the 2023 Fair are not eligible for the 2024 Wyoming State Fair. Each fleece must represent not more than 12 months growth, except in the case of yearling fleeces, where 16 months growth will be allowed.
- FLEECE QUALITY:** Any fleece entered in competition shall be discriminated against if: (a) tied with anything but paper twine; (b) showing any paint or tar brands (soluble branding fluids permissible); (c) showing excessive dung locks or tags; (d) discolored by excessive moisture; (e) cotted; (f) showing a weak staple or break in fiber; or (g) containing any excess burrs or other vegetable matter. Fleeces showing black fibers will be disqualified.

- PREPARATION OF FLEECES:** Fleeces need not be tied but must be prepared in the same fashion. Spread out the fleece on a clean table or floor, skin-side down, taking care not to pull or open fleece as it is handled. The fleece will look like a pelt or hide. At this stage, before rolling or tying, remove all heavy tags, stained wool, and obvious foreign matter. Rolling the fleece takes four easy steps: (1) Begin at one side and loosely fold 8 to 10 inches of the edge toward the center of the fleece. (2) Do the same on the other side, but fold toward the center two times until the twice-folded portion lies on top of the first fold. (3) Fold in the head wool. (4) Roll the entire fleece from the breech toward the shoulder and long side wool. Fleece **SHOULD NOT** contain belly wool. Place fleece in a clear, breathable plastic bag.
- Fleeces must be delivered to the Wool Barn no later than 5:00 PM, Monday, August 12.
- Fleeces will be released starting at 9:00 PM, Saturday, August 17.

The wool produced from sheep varies from very fine to extremely coarse and from 1 inch to 12 inches in length for a growing period of 12 months. For yarn to be uniform, the wool from which it is made must be uniform, particularly as to length and fineness. This wide variation in the wool produced, plus the need for uniform fiber, gives a basis for present-day grades of wool. These grades are arbitrary divisions made primarily according to fineness and length. Other priorities include soundness, purity, character, color and condition.

A wool grader considers all these points. Clean wool content, fineness, length of staple and strength are the main characteristics considered in arriving at the value of wool.
