

THE GREAT AMERICAN GOLF CART DECORATING CONTEST

Red, White & Vroom

The Wyoming State Fair recently announced our participation in the newly launched Great American Fair initiative.

Announced nationally on July 3, this campaign invites all 50 state fairs to spend the next year honoring the 250th anniversary of the United States. In 2026, each fair will have the opportunity to showcase what they did to celebrate, with one being crowned the official Great American Fair.

To help kick off this yearlong celebration and show off the American pride of the West, we're inviting all of our amazing exhibitors to participate in our Great American Golf Cart Decorating Contest.

Let's rally together to make the Wyoming State Fair's 120th anniversary and the start of America's 250th birthday celebration one to remember. We can't wait to see your creativity zooming around our fairgrounds!
