- Youth Horse entries are due at 6:00 PM on Friday along with all other youth livestock entries.

- All animals except poultry and rabbits need a health form. Poultry and rabbits will continue to have on-site health checks prior to their respective shows.
- Registration papers are no longer required for the Youth Breeding Sheep show. Youth Sheep exhibitors planning on entering the Open Sheep Show should have copies of registration papers or be prepared to enter into the commercial classes.
- Youth Breeding Sheep with still have fitted and slick shorn classes, however, there will only be one champion for each breed (fitted and slick shorn breed champions will compete against each other).
- Youth Market Sheep exhibitors who lose their classification card between classification and turning in for weight declaration will automatically be put into the Crossbreed class.

2026 Wyoming State Fair and Rodeo ROADMAP FOR FIRST TIME YOUTH EXHIBITORS

Exhibiting at the Wyoming State Fair is an exciting opportunity to showcase your hard work, make new friends, and gain valuable experience. Here's what you need to know:

GETTING STARTED

Eligibility Youth must be enrolled in 4-H (through ZSuite) or FFA in Wyoming to enter Youth Show Livestock competitions and 4-H/ FFA static competitions. All youth, regardless of club/chapter activity, may enter the Open Classes for both livestock and static, and are encouraged to do so.

County Fair Participation Youth 4-H and FFA Static (non-livestock/indoor) exhibits must qualify at the county level before advancing to State Fair. Livestock exhibitors do not need to qualify at the county level to enter State Fair. The exceptions for livestock are Champion of Champions and FFA Showmanship classes, both of which require qualification at the county level (COC) / chapter level (FFA). Any entry you make into the Open shows need not place at the county level.

Entry Process Livestock and FFA exhibits are entered via ShoWorks; 4-H static exhibits are entered via 4-H. Wyoming State Fair uses Group Entry, meaning 4-H educators/FFA advisors log in and do the entries for their respective groups. Each county may have different procedures for how they accomplish this, so check with your 4-H leader, Extension Educator, or FFA advisor on the process for your county. You, as the exhibitor and parent, will not be able to enter your 4-H/FFA projects into ShoWorks directly, but you can enter your Open projects! Please work with your educator/advisor to ensure you have access to the password that will get all your open projects entered under your same login as your youth projects. This will help ensure all your prizes are included in one check after fair.

Deadlines State Fair entry deadlines must be met. These can be found in the official premium book. The most notable deadlines are listed on page 11 under the General Information. Ownership deadlines are listed on page 19 under Youth Livestock. There are ownership and tagging deadlines, as well as entry deadlines. Talk with your educator/advisor if you are unsure of a deadline.

ADMISSIONS & FEES

Passes Daily or season passes are required for all exhibitors and guests starting Tuesday, August 11. Many educators/advisors will secure passes for the youth exhibitors (and sometimes, for the exhibitor's family) when submitting entries and credentials prior to fair. These passes are given to the educator/advisor and they will distribute them to their exhibitors. Check with your educator/advisor for the process in your county. Additional passes can be purchased for family and friends online or at the ticket booths at the fairgrounds.

Processing/Entry Fees All livestock are charged a processing fee, and there are some additional stock fees for the horse show. All youth fees are typically paid through the club/chapter/school. Each county, club or school may have a different way of collecting these fees from the exhibitor (and some cover all or part of the fees). Get with your educator/advisor to learn what fees you will need to cover and what help they may be able to give. These fees must be paid by the chapter/club/school upon arrival on grounds. Any additional passes, entry fees for Open class, parking, etc, must be paid upon arrival.

PREPARING FOR STATE FAIR

Static Exhibits Most 4-H indoor projects are transported by county Extension Educators. Oversized or fragile items may require personal delivery. Confirm with your county on how they do this.

Livestock Exhibits Some counties work together to transport animals, while many leave that up to individual families. Check with your educator, advisor, and county staff to verify your transportation options. Animals may begin arrival on grounds on Monday, August 10, at 8:00 AM, and must be in place by 5:00 PM that day.

Review the requirements for health certificates, brand inspections, drug declaration forms, breeding papers, and vaccinations. Make sure to bring all appropriate papers, certificates, and documentation with you. Brand paperwork, health certificates, vaccination records can all be digital as long as they are clear and accessible. Drug declaration forms must be a physical copy to turn in. Check show guidelines for breeding paper requirements.

It is a good idea to print out the section of this book that pertains to your species. You can use this as a reference when you get to the fairgrounds, knowing which classes you are in, show times, and the basic entry requirements. Be sure to familiarize yourself with the requirements, policies, and general expectations for fairtime.

Lodging Options There are several different lodging options for youth exhibitors. Both 4-H and FFA exhibitors have the option of staying in the dorms on the fairgrounds. If staying in the dorms, you will need to bring your own bedding and towels. The respective programs provide chaperones. There is also a campground with RV hookups on the fairgrounds if the whole family wants to come. Reservations for these spots open up on July 1st each year and can be made via the website, www.wystatefair.com. There are also several hotels and other camping options in and around Douglas. If needing a hotel, please keep in mind rooms sell out quickly, so book early.

Meals There is a cafeteria available to all exhibitors starting with dinner on Monday night. You can purchase a weekly meal pass or buy meal tickets separately. Your educator/advisor can assist you in pre-purchasing these, but they are also available once you arrive from the Exhibitor's Office. Don't forget there is also the midway and food court, with lots of tasty options. Some spending cash will go a long way!

Planning Your Visit Check out Converse County Tourism's website, <https://conversecountytourism.com/> to help plan your time in the Douglas area.

DURING FAIR WEEK

Arriving Upon arrival, check in with your species superintendent and follow their direction for unloading, stalling, etc. Each species superintendent has an office in the livestock area (either in the barn or nearby) or at the show tent (for walk in shows). Stall cards with contact details must be displayed in the pen for the duration of fair for cattle, goats, sheep, and swine.

Herdsmanship Pens must be cleaned by 9 AM daily. Most counties will have a trailer parked near the barns for storing extra feed and bedding. Work with your county advisors and educators to know when they will have those unlocked during the day. Any additional loading of supplies should happen during loading windows (5:00 AM-9:00 AM and 5:00 PM-9:00 PM daily). Be sure to bring enough bedding & feed to last the week! Limited shavings are available on grounds for purchase.

ROADMAP FOR FIRST TIME YOUTH EXHIBITORS

(continued)

Livestock Showing As a livestock exhibitor, be sure to note when your species needs to be checked in, weighed in (market classes), and classified (market classes). Some species use weight cards that must be turned in, and some have the animals pass over the scales. Check your species pages in the book for these times and locations. It is your responsibility to be present for these activities and turn in the required information on time.

On your show day, be ready to enter the ring when your class is called. Review schedules and listen for announcements. Be on time and exhibit good sportsmanship at all times.

Jackpot Shows The Wyoming Ag Teacher Association (WATA) puts on jackpot shows for each of the four market species (goats, swine, sheep, and cattle). You can enter these when you weigh in (beef and goats) or check in (for sheep and swine). Get with your species superintendent for more details. You will need cash to enter. There is more info in the Youth Livestock section of this book on entry fees and show times.

Have Fun Remember, fair is about celebrating all the things our exhibitors (YOU!) have accomplished over the past year. We hope you enjoy showing off your animals and non-animal projects. Be sure to check out the midway, exhibit halls, shows of other species, and the great entertainment on grounds while you are here!

Exhibits Release Youth livestock exhibits may leave starting Saturday, August 15, at 6:00 PM. Open livestock release times vary and are listed in this book. Statics vary by 4-H/FFA and Open, and times are listed in this book. You are responsible for cleaning the pens/stalls your animals were in before you depart.

AFTER FAIR

Premium Checks If your exhibits earned a monetary prize given by the WSF, known as a premium, a check will be mailed to the address provided on your entry (either online or submitted form for Open). If you had multiple entry files, or if you win a special 4-H award, you may receive more than one check. If you have not seen your premiums by September 30th, please first check with your advisor or educator. If a school or club address was used when they did entries, your check would have been mailed there. If they do not have it, call the WSF office and ask for Sara. The last day to report a missing or inaccurate check is November 1st, 2026.

Any exhibitor earning over \$600 in premiums must fill out a W-9 before the check will be released. If you believe you earned over \$600, please contact Sara in the office to complete your form.

Any exhibitor who has an animal exhibit drug tested will have their premiums held until the results are received and verified that they are negative or excusable.

Plan for Next Year Start thinking about your next project and how you can improve for the following year's competition! The fair will be August 17-21, 2027. We hope to see you and your exhibits there!

For more details, consult the Wyoming State Fair premium book or contact your county Extension Office or FFA Advisor.

WELCOME TO STATE FAIR

GOVERNOR GORDON

I still remember the excitement of coming to the Wyoming State Fair as a kid to see friends, watch dad rope, and also compete myself. Later, as a parent, I brought my daughters to exhibit and show. Our Wyoming State Fair always brings together the best of our producers, county, and state competitors. It provides an opportunity for guests to observe and honor our farmers, ranchers; hardworking families and kids, from all over Wyoming. The fair is truly a magical way to spend some precious late summer time doing good stuff. This year we celebrate the 114th Wyoming State Fair and our nation's 250th birthday since the signing of the Declaration of Independence in 1776.

As always, attending our State Fair offers an opportunity to catch up with old friends and make some new memories. Nothing is better than encouraging our neighbors and the kids who are an integral part of the Wyoming State Fair. It is a time to recognize the hard work and dedication of our exhibitors and competitors who train, prepare, and show their animals and livestock. From early morning feedings, halter breaking, and cleaning pens and stalls; to "fitting" the animals "just right" showcasing their hard work, there is a lot of care on display. Indoor exhibits feature photography, culinary, gardening, and woodworking. It's always fun to see the creativity, expertise, and effort put into each project.

We are proud of our State Fair, which is why we put as much dedication and effort into it as we do. We have a reputation to uphold. I remember one livestock judge remarking during our 2020 fair when Covid had shut down every other state fair in the country, "This is exactly what America ought to be doing now!"

As a ranching family, Jennie and I appreciate the value and independence of agriculture. As stewards of the land, our farmers and ranchers sustain this vital industry, feeding our nation and preserving the open spaces and habitats essential for our state's wildlife and the outdoor opportunities we all enjoy. We recognize the Wyoming State Fair serves as a platform for education, relationship-building, youth competition, as well as, cultivating the next generation of farmers and ranchers in Wyoming. I hope you have time to enjoy a cold drink, and soak in the sounds and smells that bring back fond memories, and just have fun.

Special thanks and recognition goes out to the Wyoming State Fair Board and staff, volunteers, and the sponsors. Everyone's hard work and commitment is what makes our Wyoming State Fair and Rodeo a success each and every year. I want to thank you for attending, Jeannie and I look forward to the chance of visiting with you while you are here.

Sincerely,

Mark Gordon, Governor of Wyoming

WYOMING STATE FAIR BOARD

The Wyoming State Fair has always been more than an event; it is a gathering of our people, our pride, and our shared story. Year after year, families travel from every corner of this great state to reconnect with one another and to celebrate what makes Wyoming so extraordinary. We are honored to welcome you to our 114th fair.

Across Wyoming, there are men and women who pour their heart into everything they do: tending livestock, tilling fields, crafting furniture, creating art, and so much more. This fair exists to honor that dedication. Whether you're a competitor stepping into the arena or a visitor walking the exhibit halls for the first time, you are here because this community matters—and your presence makes it stronger.

This year's fair brings together an outstanding collection of attractions, entertainment, and exhibits that reflect both our heritage and our spirit of celebration. Enjoy the thrill of carnival rides, savor the flavors of classic fair food, and take in the live performances that fill our fairgrounds with energy. Don't miss the Champion of Champions Showcase, where the finest market animals from across Wyoming's counties are recognized for the excellence behind them. Wander through our vendor areas, explore the exhibit halls. Make time to appreciate the Sheep Wagons and enjoy the quiet reminders of the working heritage that built this state.

At its heart, though, the Wyoming State Fair is about people. It's about the handshake between old friends, the wonder on a child's face, and the memories that families carry home long after the fairgrounds grow quiet. That is what has kept this tradition alive through more than a century of change. Thank you for being part of it. On behalf of the Board of Directors, I warmly welcome you to the Wyoming State Fair.

We'll see you on the fairgrounds.

Shawn Steffen
2025/2026 Wyoming State Fair Board Chairman

WYOMING STATE FAIR GENERAL MANAGER

It is my honor to welcome you to the 2026 Wyoming State Fair, taking place August 11–15 in Douglas.

This year, we join our nation in celebrating a truly remarkable milestone, the semiquincentennial of the United States, marking 250 years of American history. As I've reflected on this moment, I find myself drawn to the deep roots of our country as an agrarian society, and the role fairs have played in shaping and celebrating that identity.

I am a firm believer that fairs represent the very best of us. They are where we showcase the strength of our agricultural commodities, the innovation and talents of our friends and neighbors, and the traditions that have been passed down through generations. Fairs are where community comes to life, where history is honored, and the future is inspired.

At the Wyoming State Fair, our work is grounded in four core values: Agriculture, Youth, Education, and Western Lifestyle. These pillars guide everything we do, from the opportunities we create for young people, to the way we celebrate and preserve our agricultural heritage, to the experiences we design that reflect the spirit of the West.

As we celebrate this milestone year for our nation, I invite you to join us for what will truly be a Great American State Fair. Here in Wyoming, that means gathering together to celebrate these shared values while showcasing the very best of our state and its people.

Whether you are exhibiting, competing, cheering from the stands, or simply soaking in the sights, sounds, and flavors of fairtime, you are a part of something bigger. You are part of a tradition that reflects the spirit of America and the heart of Wyoming.

It is a true privilege to serve our great state as your Fair Manager, and I look forward to welcoming you to Douglas this August.

Let's gather, celebrate, share, and make memories that will last a lifetime.

I hope to see you at the fair!

Courtny Hinds
Wyoming State Fair General Manager

MAYOR OF DOUGLAS

On behalf of the entire community of Douglas, it is my pleasure to welcome each and every guest, competitor, and exhibitor joining us for this year's Wyoming State Fair.

Douglas has a story that is inseparable from the land and the industries this fair celebrates. When our town was founded in 1886 with the arrival of the railroad, it quickly grew into a cornerstone of Wyoming's sheep and cattle trades. More than a century later, that same agricultural spirit lives on in the fairgrounds just down the road, and we could not be more proud to call ourselves the home of the Wyoming State Fair.

As you walk the grounds, I hope you take a moment to appreciate how deeply these traditions are still woven into everyday life here. The exhibit halls offer a window into the craftsmanship and creativity of our communities, from beautifully baked goods and handcrafted needlework to vibrant garden produce. The livestock shows remind us of the hard work and dedication that 4-H and FFA participants pour into their projects year after year. And the food court? Well, that is agriculture doing exactly what it is meant to do: bringing people together and feeding them well.

Beyond the fairgrounds, we invite you to explore Douglas and experience the warmth that defines our small corner of Wyoming. Whether you are here for a grandstand show, a ribbon competition, or simply to soak it all in, we are glad you made the trip.

On behalf of the Douglas community, we hope your time here is filled with fun, learning, and lasting memories. Welcome to our home, and welcome to the 114th Wyoming State Fair!

Kim Pexton
Mayor of Douglas

Items Entered in the Wrong Department/Class Any entry which has been erroneously entered into the wrong department or class, may, at the discretion of the Show Management or Judge, be transferred to the proper department/class prior to judging. However, if such classes have already been judged, they will not be reopened.

Exhibition The show management reserves the right to reject any entry that is unsafe, unacceptable, or inappropriate for a general viewing audience that would include minors. Such determination shall be made by Show Management. If necessary, Wyoming State Fair will refund any money already paid which shall exonerate the State Fair from any claims whatsoever on the part of the exhibitor or purchaser.

All owners or others in charge of exhibits, livestock, or other property, shall care for, guard, protect, and preserve the same. The Wyoming State Fair is not responsible for any loss to or damage to any exhibit, livestock, or property.

Items Entered by Others Should any individual enter an animal or article under the name of other than that of the bona fide owner, or creator, or attempt to perpetuate a fraud by misrepresentation, the item will be rejected and not judged.

Disqualification If an exhibitor applies to enter an exhibit (livestock or static) that was disqualified from competition at any fair or livestock show, or if the exhibit won an award, and the exhibitor lost the award or premium due to the exhibitor's violation of rules or regulations, the Wyoming State Fair will not accept that exhibit for entry, or if it has already been accepted, the acceptance will be revoked.

If an exhibitor has been disqualified from all competitions at a fair or livestock show, including for violation of rules or regulations, fraud, misrepresentation, unethical fitting, theft, deception, or unsportsmanlike conduct, that exhibitor may not compete in any show at the Wyoming State Fair in the same year that the exhibitor was completely disqualified. The Wyoming State Fair may also deny or limit the exhibitor's ability to compete in future years, depending on the severity of the reasons that led to complete disqualification and the exhibitor's conduct in other fairs or shows.

If an exhibit/exhibitor is disqualified after judging, there will be no change in the final placings. Upon investigation, the General Manager may consider a change in the final placing. Any decision made by the General Manager will be final. No refunds of entry fees or credentials will be given due to disqualification.

Insufficient Funds Any exhibitor issuing a check for payment of entry or stall fees, passes, or permits which does not clear their account for any reason will have five (5) days in which to make payment to keep entries eligible for participating in the Wyoming State Fair. A \$30 returned check fee will be assessed to the exhibitor for each account clearing attempt .

GENERAL EXHIBITOR INFORMATION

Exhibits Entries must be on display at the official opening of the State Fair or any other time specified in this premium book, and exhibits shall not be removed from the fairgrounds prior to the release date/time printed in this premium book, except (at the discretion of Show Management) in cases of positive evidence of sickness, accident, and/or death of an exhibit/exhibitor, or for other circumstances that are in the best interests of the State Fair.

Show Management State Fair Show Management reserves the right to combine, split, or cancel classes in which, in its judgment, the number of entries is insufficient to ensure adequate competition, in all departments of the Wyoming State Fair.

Schedules Judging schedules, as published in this premium book, are tentative and subject to change, but will be followed as closely as possible. Classes will not be delayed for late exhibitors. Exhibits not presented promptly when called will be disqualified and excluded from competition in the class.

Judges The Wyoming State Fair will select judges in cooperation with recognized breed associations, judges panel, and/or interested groups. In every case, judges are selected with the utmost care for the benefit of fair and quality competition. No person may be permitted to judge a class in which he/she may be competing for an award or have ownership of any animal or article entered in such class. To suggest a judge, submit a name on the form found on the website at wystatefair.com, under the Exhibitor's section.

Objections to Judges Objection to any person serving as a judge must be submitted in writing to General Manager prior to June 1 of the current year. You must give good and sufficient reason therefore, and upon which the General Manager shall have the full power to act.

Judge's Decisions The judge's decisions are final in all cases, except cases of formal protest or where mistake, fraud, misrepresentation, or collusion, not discovered at the time of award, is proven. In such cases, the Show Management may make the final decision. Such cases may be sent to the State Fair Board, from whose decision there can be no appeal.

Interference with Judges If any exhibitor, whether in person or through another person, interferes in any way with a judge or shows any disrespect to a judge or to show officials, Show Management may dismiss the exhibitor from the judging area

and exclude him or her from further competition. In addition, Show Management may revoke any premiums or awards already awarded to that exhibitor. Any person who is not an exhibitor who interferes with a judge will be asked to leave the judging area.

Unworthy Exhibits Judges shall not award a prize to an unworthy exhibit as based upon the established department criteria. It is the intention of Wyoming that no premium or distinction of any kind shall be given to any exhibit that is not deserving. Where there are fewer entries in a class than the number of premiums offered, the judge may, at their discretion, award a prize or prizes of such grade as the exhibit merits.

No livestock exhibit will be awarded a prize unless removed from its stall or pen and exhibited before a judge in the show ring.

Cooperation Each exhibitor must cooperate with security personnel and Wyoming State Fair regarding policies and regulations. If an exhibitor fails to do so, fair management may cancel the exhibitor's entries, may forfeit exhibitor's awards or premiums or both, and may require the exhibitor to remove his or her exhibits from the grounds.

Conduct Unsportsmanlike conduct will not be tolerated. The offending exhibitor will forfeit all fees paid as well as any premiums due, and may be immediately dismissed from the grounds.

Any false representation, interference, or unprofessional conduct on the part of any exhibitors will be dealt with by the Show Management according to the nature of the violation. If any exhibitor takes exception to the awards of an official judge in an unprofessional or public manner, any awards or premiums awarded to such exhibitor in any Wyoming State Fair competition shall be forfeited. The General Manager may bar such offending exhibitor from competing or exhibiting in the current or future Wyoming State Fairs, or both, until such exhibitor shall have made proper written apology and shall have been reinstated by a vote of the Wyoming State Fair Board.

Entry Limits No individual animal/exhibit may compete for or receive more than one premium in a class and division or department except in Champion classes, group classes, or equine performance classes in the Youth Shows. An individual owner may enter up to three animals in any individual class but may not be awarded more than two premiums from the individual class. Where there is but one exhibitor in a class, there will be only one premium awarded. Provided that there are two or more competing exhibitors in a class, all placings and premiums may be awarded, except as noted in special departments or policies.

Ownership of Animals To be eligible for competition, each animal must be the bona fide property of the owner of record, and all animals entered for competition in the Open Show breeding classes must be entered in the name of the owner and must have been owned prior to the entry deadline. If proof of ownership is required, an affidavit must be furnished by the owner. For ownership of animals entered for competition in the youth show, see special regulations in the Youth Livestock Department.

Jointly Owned Animals Such exhibits must be entered and shown under the multi-ownership name (all owners) in the individual classes. In the group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided they own a full or part-interest in one or all of the animals in the group entry.

Business & Organization Owned Animals Such entities must be in existence at the time of making entry and, in all cases, must be bona fide. Affidavits of the age of the firms may be required by Show Management.

Registration All animals in the Open Show breeding classes must be recorded in the recognized books of record for their respective breeds unless specifically stated. Exhibitors must produce a certificate of registry at the request of show management at any time during the show. Only such books of record as are recognized by the United States Department of Agriculture will be accepted. The officially registered name and registration number of all animals entered in the breeding classes, as well as the officially registered name and registration number of the sire and dam, are to be given on the entry forms. Entries without registration information will not be accepted. Exhibitors must have the original registration or a copy of it available for review at all times during the show.

Substitutions Animal substitutions may be made within the same breed and within the same sex and by the same owner of the original entry. The substitution may be made after the closing date for entries, without a late fee, if the entry information for the substituted animal is provided to Show Management at the time of breed check-in. A late fee of two times the regular entry/ processing fee must be paid for each substitution made after check-in time. All substitution exhibits must adhere to the same ownership and tagging deadlines and be able to provide proof of such.

Stalling To assist the Show Management in special stalling requests, youth exhibitors, via their club/chapter/county, should request such with their 4-H educator or FFA Advisor. There will not be space allocated for tack or lounging stalls. Stall assignment will be at the discretion of each show superintendent.

Youth Horse exhibitors should check in with the Horse stalling office in the annex at the south end of the Pepsi Center. There is a limit of one horse in any stall in any horse barn.

Entry fees do not dictate stall/pen spaces. Exhibitors will only receive proper space for each animal delivered to the Wyoming State Fair, regardless of the number of entries made for the show. A cow-calf pair is considered one entry, but the exhibitor is given two stall spaces for that entry. After all animals have been stalled, they shall not be moved to any other part of the facility except on the consent of the Show Management.

Exhibitors are allowed to display, at their own risk, prize ribbons, trophies, plaques, certificates, or awards, etc. in their allocated space during the entire show, subject to space availability and the approval of Show Management.

Tie Out These spaces for Open and Youth Show cattle are included in the fees submitted at the time of entry. Tie out space for Open Show exhibitors shall be reserved, and tie out space for youth exhibitors shall be first come, first serve starting Monday morning. Exhibitors may be required to tighten up space if needs dictate.

Bedding First bedding will be provided in all cattle stalls. Dairy Goats and wool breed breeding sheep will be allowed to bed on straw, if provided by the exhibitor and removed from the pens by the exhibitor upon departure. Wood shavings for bedding may be available for purchase at designated locations. Wood shaving are to be paid for with cash at the time of purchase. We will not bill for bedding. Exhibitors who use their own bedding will be allowed to bring their bedding on the grounds daily in limited amounts. Storage of large quantities of bedding and/or feed in the barns or fair buildings is prohibited. Extra bedding and or feed must be kept in vehicles and/or trailers in assigned parking areas.

Schedules for feeding and deliveries will be established and strictly enforced to minimize traffic congestion.

Herdsmanship Each exhibitor must clean the stalls, pens, and exhibition spaces assigned to him or her by 9:00 AM every morning and dispose of refuse matter in the areas designated by Show Management. If an exhibitor fails to do so, the Wyoming State Fair may have those areas cleaned at the expense of the exhibitor. That obligation must be paid before your animals are released or that amount may be deducted from your exhibitor's premium check.

Equipment Any equipment brought in to be use in assigned stalls or space must comply with and be used in compliance with all federal, state, and municipal occupational safety and health regulations. Any equipment used by exhibitors that is obstructing safety or space, needed pen space, or facility operations must be moved as directed by the WSF security or staff. Safety guidelines as set by the Wyoming State Fire Marshal must prevail.

Fans may not be placed or operated in any pedestrian aisle. Rear (butt) fans must be suspended and are not allowed in any aisle.

Blocking Chutes, Trim Tables, Fitting Stands space will be designated on interior wall areas or outside of the livestock pavilion. No chutes are allowed in outside or center aisles of the cattle stalling section. Premium fitting space is available to be bid on through the WSF Endowment Fund Auction held annually in June.

Entries Offered for Sale must be entered and shown in its respective class at the Wyoming State Fair. All livestock sold through a recognized breed association sale are eligible to be removed from the State Fairgrounds by the new owner at the close of the sale by presenting sale verification and with written

approval of the Show Superintendent and sale management.

Cruelty to Animals Cruelty or abuse of animals will not be tolerated. Immediate disqualifications of the exhibitor and exhibit may result from confirmed abuse or cruelty.

Tail Docking Policy Sheep presented for exhibit at Wyoming State Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair that are visually examined by the Youth Show Committee/Show Management and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found, it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area.

Wyoming State Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair should be docked in a manner that does not compromise the animal's health and well-being.

Drug Testing (Analysis) The Wyoming State Fair reserves the right to have a laboratorial analysis made on blood, urine, and other body tissue from any animal entered for competition. An exhibitor or an animal producing an analysis with a quantity of unapproved levels of chemical, drug, or any unapproved medication will forfeit all rights and privileges to exhibit livestock in the future at the Wyoming State Fair.

Postmortem Examination In the event an animal dies on grounds during the Wyoming State Fair, the General Manager reserves the right to require a postmortem examination of the animal by a licensed veterinarian. If a postmortem examination is ordered by the Wyoming State Fair or by the owner/exhibitor of the animal, the expense of the postmortem examination and any related veterinary costs shall be borne by the owner/exhibitor.

ETHICS

All exhibitors at the Wyoming State Fair exhibiting animals must comply with the IAFE National Show Ring Code of Ethics, the United States Department of Agriculture (USDA) Wholesome Meat Act, and the Wyoming State Fair drug use and testing policy, which can be requested in writing from the Show Management.

The Wyoming State Fair is a member of IAFE and we support the code and its intent. If there is any perceived conflict between this code and the regulations presented in this premium book, the regulations will prevail.

INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS (IAFE) NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to youth as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they

impose on the local, county, state, provincial and national levels. All youth leaders working with youth exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, and/or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Youth exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except the external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

These special premiums or Special Awards are secured by Fair Management with a promissory statement signed by the donor and are accepted by the Fair Management in good faith and must be contested for under these conditions.

Premium Payout Premiums will be paid by the Wyoming State Fair unless otherwise stated. All premiums will be issued by check and forwarded to designated person(s), as directed on entry forms, as soon after the close of fair as they can properly be processed.

November 1 of the current year is the deadline for reporting any errors in a premium check or for a check not having been received by the exhibitor. **After that date, no changes will be made nor checks issued.** All premiums whatsoever not claimed within 90 days of issue date shall be deemed forfeited to the Wyoming State Fair/State of Wyoming.

In case the total premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management.

Overpayments made in error by the State Fair will be requested to be returned, by written notice. Those overpayments not returned in a timely manner, within thirty (30) days, the exhibitor will forfeit their right to exhibit in future Wyoming State Fairs.

Photographs Champion, Grand Champion, and Supreme livestock exhibits and exhibitors will have photos taken by the Official Photographer of the Wyoming State Fair. Exhibitors of such exhibits must make themselves and their exhibits available for the taking of official photographs immediately following judging or at the request of the Official Photographer. The Official photographs are the property of the Wyoming State Fair for reference and promotional use.

Commercial photographers will be available on the grounds throughout the week. Exhibitors are encouraged to use the Wyoming State Fair photo backdrops for their own photos.

The protest must plainly state the cause for complaint or appeal and must be delivered to the General Manager immediately upon occasion for the protest. The monetary fee is refunded if the protest is substantiated and sustained.

A formal protest in the Youth Livestock Show Department can only be submitted by a Youth Livestock Show exhibitor.

The following fees must be submitted with the written protest:

- \$100.00 for Creative & Home Arts, 4-H, and FFA Departments
- \$100.00 for Open Livestock Department

POLICIES AND PROCEDURES

Youth livestock exhibitors must be familiar with and abide by all of the regulations of the Wyoming State Fair including those in the General Information section.

Eligibility Bona fide Wyoming 4-H and Wyoming FFA members in good standing are eligible to enter and participate as a representative of their respective county 4-H or FFA chapter. Youth must have exhibited or shown at their respective and most recent county fair.

Medical Release Forms All youth show exhibitors must have a completed medical release form from their respective youth organization.

Separate 4-H and FFA Entries Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their 4-H project or their FFA Supervised Agriculture Experience and enter the correct classes/divisions endorsed by their applicable organization.

Affiliation The Wyoming State Fair encourages Youth Show exhibitors to wear 4-H or FFA emblems.

Entry Process Entries in any youth livestock, 4-H, and FFA classes are completed by the member's respective 4-H Educator or FFA Advisor.

Youth exhibitors are encouraged to enter Open Class Livestock shows. Exhibitors who wish to enter Open shows must comply with those deadlines, regulations, and pay separate fees. Please see each Open Species show for details. Please note registration paper requirements for Open Class entries. See pages 63-73. Original registration papers or photocopies must be presented for all animals requiring them. Absolutely no "applied for" registrations will be accepted.

Processing Fee Each 4-H / FFA exhibitor in this department is required to pay a processing fee as a condition toward application for entry. Processing Fees are as follows:

\$ 20 / head for cattle

\$ 15 / head for equine (halter and performance)

\$ 10 / head for Alpaca, Sheep, Swine, Goats

\$ 3 per rabbit, poultry and wool fleece

This fee is due for every animal entered for exhibit, *even if not ultimately shown*. All fees must be paid in full, a club/school voucher submitted, or invoicing arranged with WSF by Monday of fair week at 8:00 PM. All invoiced amounts must be paid in full by September 30 of the current year.

Ownership All livestock must be owned by the individual member by the following dates of the current year:

February 1—Market Beef

May 1—Dogs

June 1—Market Lamb, Market Swine, Market Goats,
Poultry, Horses, All other youth livestock

Meat Rabbits—80 day rule

Brand Papers and Health Certificates See Animal Health requirements on page 17.

Tagging/Identification All Market animals must be properly tagged with an approved 15-digit RFID ear tag. Market animals not having the proper RFID tags in place will not be eligible to show. The tag must match the tag that was recorded at the spring tagging by the county, 4-H or FFA, and submitted to the State Fair by the tagging deadlines.

Stalling/Pens All youth show animals must be housed in the dedicated Youth section of the barns, unless given special written permission by the Youth Livestock Superintendent of the species in question, in cooperation and agreement with the applicable Open Show Superintendent.

FFA Advisors/ 4-H Educators making entry in the Youth Livestock Shows are to figure animal head count/stall/pen needs accurately and properly, especially in the case where facilities have specified limits for space allowed per county and/or chapter. Those individual counties/ chapters who over inflate their expected numbers or that exceed their reported numbers shall be fined \$100 and the processing fees for the next year's State Fair shall double (i.e., \$10 sheep fee goes to \$20) for all youth livestock shows. No exceptions. Honesty and integrity are the guide. These are reported on the Credentials & Invoicing Form, due to the Exhibitor's Office by 6:00 PM Friday prior to fair.

All stalling shall be assigned by the superintendents. No one may begin moving into stalls until assignments have been made. Tack stalls may not be claimed or moved into until ALL animals have been stalled, and must be within the assigned county's allocation of stalls. Beef tie-outs will be first come, first serve on Monday, but exhibitors may be asked to tighten up if need dictates. Superintendents will work with Endowment winners on any tack areas that were won.

On Display All youth animal exhibits in beef, goats, swine, and sheep are required to remain on exhibit for the duration of the State Fair. Animals must be in place by 5:00 PM on Monday and will be released starting Saturday night at 6:00 PM.

Bedding No bedding is provided except for initial bedding for cattle. Exhibitors must furnish their own bedding. See page 14 for more info.

Herdsmanship See page 14. Stall cards are to be completed and on display for the duration of fair.

Waste Removal Partnership All animal, feed, and bedding waste material from the State Fair goes to a recycling site to be composted. Please keep animal waste separate from man-made garbage. Have your stalls cleaned and refuse material in designated sites before 9:00 AM. After 9:00 AM all refuse material is to be removed to the nearest refuse container.

Livestock Trailers & Feed Delivery No livestock trailer can be parked on the grounds without proper permits displayed on the trailer. Complimentary trailer permits and feed delivery vehicle passes will be provided to one designated educator/advisor for each chapter and/or county. The number of permits provided is based on the number of registered youth livestock exhibitors from each chapter and/or county from the previous year, as indicated below.

	Exhibitors 1-10	11-30	31-50	51+
Feed Trailer Permits	1	2	3	4
Livestock Park & Feed Passes	1	2	3	4

Feed delivery vehicles may only be used during the designated hours of 5:00 AM to 9:00 AM and 5:00 PM to 9:00 PM. Violators will lose their feed delivery permit(s). Additional feed delivery vehicle passes may be purchased for \$100.00 each by the designated educator/advisor at the Exhibitor's Office.

All other livestock trucks and trailers are to be parked in the south end of the Pepsi Lot, west of Brownfield Road. **There are to be no livestock trailers parked in other locations on the grounds.**

Premium trailer parking is available through the WSF Endowment Fund Auction held annually in June.

Blocking Chute, Tables, Fitting Stands, and Fans See page 14.

Youth Fitting Policy Exhibitors must be present for and actively participate in the fitting of their animals. In the interest of safety and education, an exhibitor may be assisted at the Wyoming State Fair in the fitting of their animals. Assistance is defined as a learning opportunity where the person assisting is educating the youth exhibitor on the technique of ethical fitting as outlined within this premium book. Anyone found to be in violation of this policy may be subject to immediate disqualification or removal from the fairground by State Fair Management.

Unethical fitting at the Wyoming State Fair is defined as: the injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law, or any drug that is used in a manner prohibited by Federal, State, or Local Law; the injection or internal or external administration of any product or material, whether gas, solid, or liquid, to an animal that conceals, enhances, or transforms the true conformation, configuration, breed, condition, or age, or by making the animal appear more sound than otherwise would appear; the administration, use, or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes; tissue manipulation, removal, surgical attachment, or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair/wool or hair/wool substitutes, cloth, or fiber; any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef, sheep, swine, or goat carcasses.

Maintaining the integrity of the meat derived from the livestock exhibited at the Wyoming State Fair is the primary reason for the policies and procedures. Most of the market animals shown at the WSF were previously shown and sold before entry to the WSF. Exhibitors have a moral and ethical responsibility to produce meat that will be safe for the consuming public.

Exhibitor Participation During official class judging, only the exhibitor will be allowed in the show ring. In case of exhibitor sickness or other emergency, an animal may be shown by a substitute exhibitor, provided the substitute is a bona fide Wyoming 4-H or FFA member and the show Superintendent has been advised in advance of the show of the need and grants permission. In Showmanship classes, exhibitors must show their own animal, and no substitute exhibitor is allowed.

Unsportsmanlike Conduct It is considered a violation of the National Show Ring Code of Ethics to display unsportsmanlike conduct. Such conduct will not be tolerated, and offending exhibitors may forfeit awards and premiums, be dismissed immediately from the fairgrounds, and/or lose future eligibility to exhibit at the Wyoming State Fair.

Reporting Violations Witnessed violations of the Youth Show Policies should be reported to an adult to then be addressed as follows:

1. To the FFA Advisor or 4-H Educator of the member whose entry is involved.
2. If the situation is not resolved, report to the State organizational leadership of the member (State FFA Advisor or State 4-H Coordinator.)
3. If the situation is not resolved, report to a member of the Youth Show Committee to review.

If the situation might need further attention, an appeal can be made through the Wyoming State Fair formal protest policy. See page 16 for the formal policy.

Premier Exhibitor If a Premier Exhibitor award is given, it is based on total points won by an exhibitor in the division. First place placements count as 7 points, second place count as 6 points and third place counts as 5 points, and so on through 7th place with 1 point and all other placements (if awarded) as 0 points. This applies to Youth Livestock Premier awards only.

ANIMAL DRUG TESTING

The Wyoming State Fair will continue drug testing Market Swine, Beef, Goats, and Sheep. For these market species, drug testing will be mandatory for the top five placement winners and randomly selected market animals from each species.

Why At the Wyoming State Fair, we value education, animal welfare, protecting the food chain, and fostering fair competition. Drug testing is a valuable tool to help exhibitors and families to understand the possible implications of using substances on their animal.

Drug Declaration By 5:00 PM on Tuesday of the 2026 Wyoming State Fair, exhibitors MUST turn in their drug declaration forms to the Exhibitor Office drop box. **ONE FORM IS REQUIRED PER MARKET ANIMAL.** Drug Declaration forms can be found in the back of this book, at wystatefair.com, or picked up at the Exhibitor Office. Any exhibitor who does not turn in a declaration form by this time forfeits the right to contest in the case of a positive test. Exhibitors who have animals tested will have the opportunity to provide a secondary declaration at the time of testing to cover anything administered from 5:00 PM Tuesday and their show time.

Top Five Winners Sample collection will occur immediately following the judge's selection. The drug testing liaisons or a State Fair representative, along with a parent, guardian, or designated adult witness (age 18 or older), will escort the animal to a secured area. They will remain with the animal until a sample is successfully collected, sealed, and signed by both the testing liaison and the exhibitor's adult representative (or by the exhibitor, if 18 or older). Chain of custody best practices will be observed throughout the process. Once the WSF receives the test results, exhibitors will be notified by letter of the outcome and, if the results are negative or excusable, will receive their premiums.

Random Tests Prior to animals entering the show ring, a class and placement will be announced that will be required to do a random drug test. Sample collection will take place immediately following the judge's selection. The drug testing liaisons or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to the secured area and remain with the animal until a sample has been successfully collected, sealed and signed by the testing liaison and the exhibitor's adult representative (or the exhibitor, if 18 or older). Chain of custody best practices shall be followed. Upon WSF receiving the results, exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their premiums.

Consequences for Positive Tests Upon receiving a positive test result from the lab, a review panel will determine whether the result is excusable, and if inexcusable, the consequences for the exhibitor. The determination made by the review panel is final and not eligible for protest.

In the event of a positive test, the Wyoming State Fair will notify the exhibitor of the positive test and of the opportunity to contest the results by (1) requesting a test of the split sample, (2) providing written explanation and supporting documents for why the animal had a positive drug test result, or (3) both. The selection of the laboratory, or choice of laboratories, to be used for the testing of any split samples shall be determined by the Wyoming State Fair. The exhibitor is solely responsible for all costs associated with the testing of their animal's split sample. If an exhibitor elects to contest, the exhibitor must, within 7 days of receiving notice of the positive test result: (1) submit a written request for a test of the split sample along with proof that the exhibitor has paid the selected laboratory all costs associated with the test; (2) submit written explanation and supporting documents, if any, for why the animal had a positive drug test result; or (3) both. If the exhibitor fails to do either of the above, within the time provided, the exhibitor waives any right to contest.

To determine whether the original results are inexcusable and if consequences are warranted, the review panel will review the original drug test results, the split sample test results, if applicable, and any documents submitted by the exhibitor. If the review panel deems the original positive test inexcusable, the exhibitor will forfeit premiums and awards for the animal that tested positive.

Additionally, consequences for an inexcusable positive test may range from a 1-3 year probation period to a 1-3 year suspension period. During a probation period, the exhibitor's market livestock exhibits must be drug tested upon arrival at the Wyoming State Fairgrounds. The exhibitor will be responsible for drug testing fees during the probation period. During a suspension period, the exhibitor will not be permitted to show during the Wyoming State Fair.

In the case of a positive test resulting in disqualification, placements will not advance up.

- General Youth Livestock Policies and Procedures apply to this division as well as those regulations listed below.
- This is a one-day carry-in cage show. Each cage must be self-contained.
- Due to the rapid development of diseases in rabbits, rabbits will be inspected at an animal health inspection site, off grounds, prior to entry on grounds. Any rabbit showing symptoms of disease shall not be allowed on grounds or shall be removed from the show area immediately. Any associated costs will be the responsibility of the owner, and all entry fees will be forfeited.
- Rabbits do not necessarily need to be pedigreed or registered or meet ARBA standards; however, exhibitors are encouraged to breed and show high-quality individual rabbits.
- No more than two rabbits may be shown in each class by the same exhibitor. Due to small numbers, varieties in many breeds will be shown together. No rabbit entries will be accepted the day of the show.
- If an animal is shown in a Fur Class, it must also have been shown in its respective Breed Class. Animals disqualified for reasons other than health may still show in the Fur Class. Fryer fur animals should be shown out of a meat pen only.
- Instruction sheet and comment card(s) will be handed out during check-in starting at 8:00 AM. Complete comment card per instructions and be sure to put rabbit's class number in the upper right corner of comment card.

- Rabbit identification sometimes slows down the show. To speed up that process, exhibitors are asked to have all rabbits tattooed in the left ear. Please record tattoo number on the coop card. Valid entries from the county or chapter should include the computer entry plus a coop card.
- Wyoming State Fair encourages Youth Show exhibitors to wear 4-H or FFA emblems. These emblems may be on any long-sleeved garment. That garment cannot contain ARBA or individual rabbitry names or emblems.
- There are four separate showmanship contests for rabbits: FFA Showmanship, Senior 4-H Showmanship, Intermediate 4-H Showmanship, and Junior 4-H Showmanship. There will be no premiums paid for Rabbit Showmanship classes.
- Herdsmanship is an important component of the youth show and youth groups not meeting minimal daily herdsmanship requirements may forfeit awards/premiums from the show.
- Current classes and varieties are the result of trends over the years. Additions and deletions are made each year based upon the trends shown by coop card numbers.
- ENTRY INFORMATION:** The Class Code must include the Division number and Class number. **EXAMPLE:** If you are entering a Californian Senior Buck, your class entry would be **1618-6** (1618 for Youth Rabbit Show division; and 6 for Californian Senior Buck class).

- General Youth Livestock Policies and Procedures apply to this division as well as those regulations listed below.
- The Superintendent/Coordinator has jurisdiction regarding pen/stall assignments. As a guideline, sheep shall be penned two per stall. Exceptions will be yearling rams or larger breeds, if determined necessary. Please note sibling's exhibits may be penned together if necessary.
- Extreme docking of lambs is not an acceptable animal husbandry practice; refer to General Information, Exhibits and Exhibitors Section, page 15. Any sheep showing signs of rectal prolapse shall be disqualified and must be immediately removed from the fairgrounds by the exhibitor.
- Ewe lambs entered, processed, and shown as breeding animals may not be exhibited as market animals. Ewe lambs entered, processed, and shown as market animals may not be exhibited as breeding animals. The only exception is that Champion of Champions (CoC) exhibits that won Grand Champion Market Lamb at their county fair may be shown in both the CoC show and EITHER the breeding show or market show (but not both) at WSF. Market tags **must be** removed from all breeding ewe lambs unless confirmed to be using them in a national show. Show staff will cross check and double entries will be removed.

- Any sheep inadvertently entered into the wrong class may be assigned by show staff to the correct class.
- Wood shavings will not be provided for sheep pens. Wood shavings are available for purchase through the Show Management at designated locations from 7:00-9:00 AM and 6:00-8:00 PM daily. Straw may be used as bedding if provided by the exhibitor.
- Unauthorized Animals:** Only sheep officially entered will be allowed on show grounds. Any sheep brought onto the grounds which is NOT entered for competition or exhibition will be removed from the fairgrounds.
- All sheep must have USDA Scrapie Tags or 840 RFID tag in place.
- Any exhibitor, or anyone assisting an exhibitor, shall not aggressively or loudly "pop, slap, hit, or strike" their animal at any time during the show or any place on the fairground's property.
- Lifting the sheep in a fluid motion to set the front legs prior to quickly setting the feet back on the ground is acceptable.
- Placing feet on any support or altered ring surface is not acceptable. All sheep must have four feet on the ground during the Judge's inspection.
- All sheep must have clean water available to drink in pens at all times.
- Only one trimming stand allowed per exhibitor. No lamb sale racks, supplement carts, extra feed, or bedding shall be stored in stalling area.
- All livestock fans must be mounted at least five (5) feet high on stationary mounts. No fans in pedestrian walkways. No extension cords strung across alleyways. Fans or equipment in use by exhibitors that is deemed to be obstructing safety or space, needed pen space, or facility operations will be requested to be removed by State Fair Management.
- All tack of exhibitors will be confined to designated areas by the show superintendent/coordinator and only if pen space allows.
- Herdsmanship is an important component of the Youth Show and youth groups not meeting minimal daily herdsmanship requirements may forfeit awards/premiums from the show.

Youth Breeding Sheep

DIVISION 1619

SHOW TIME

Thursday, August 14, 8:00 AM
following 4-H Sheep
Showmanship

- Breeding sheep in breed classes must be registered. Every animal entered as purebred (registered) must have a registration paper issued by the respective breed association. Registered animals must be registered in the exhibitor's name, exhibitor's immediate family name or exhibitor's farm name, or FFA chapter name, and must be done so prior to ownership deadline. Breed certificate (original or copy of) must be presented to the Show Superintendent/Coordinator by Tuesday of fair week at 9:00 AM. No "applied for registration" allowed. Tattoos, ear tags, or other identification marks must match registration certificates.
- Commercial Classes:** Sheep in Breed D and N (Commercial Crossbred Wool Type and Commercial Crossbred Wether Type) are not required to be purebred or registered, but must be individually identified by scrapie tag number/840 RFID tag on a bill of sale/brand inspection that proves ownership prior to ownership date. **Ownership papers (original or copy of) must be presented to the Show Superintendent/Coordinator by Tuesday of fair week at 9:00 AM.** All sheep not registered will show in these classes.
Due to the absence of breed certificate, Commercial Crossbred Wether Type ewe lambs will show by weight. A weight card must be turned in by **1:00 PM Tuesday** of fair week to the show superintendent/coordinator.
The top three ewes in each class will weigh back, with a 5% variance allowed. In the event an ewe weighs out, the next lamb in line will weigh.
- Slick Shorn vs Fitted:** Slick Shorn shall be defined as having been shorn within 10 days of processing. The presence or absence of head wool on shorn lambs will follow National Breed Standards. Exhibitors are not permitted to use artificial coloring, paint/powder/airbrushing, or any foreign substance to cosmetically alter the natural color pattern of the Slick Shorn animal.
Fitted Sheep shall be defined as having at least 1" of wool on the majority of the body. Fitted sheep shall be exhibited according to National Breed Standards that apply to the fitting of that breed.
Unethical fitting practices will result in disqualification.
Breeds that have both a slick shorn and fitted class will have one overall breed champion.

The following breeds will have an option of showing in a Slick Shorn class or a Fitted With Fleece class:
 - Dorset
 - Hampshire
 - Suffolk
 - AOB Meat
 - Commercial Crossbred Wether Type
 The following breeds will be shown as Fitted With Fleece. No Slick Shorn exhibits in these breeds allowed.
 - Columbia
 - Targhee
 - AOB Wool
 - Commercial Crossbred Wool Type
- Fitted breeding sheep may be housed in the Open Sheep barn. If an exhibitor has both Fitted and Slick Shorn breeding sheep, they may house them together in the Open Sheep barn; however, exhibitors with only Slick Shorn breeding sheep will be housed in the Youth Sheep Barn.
- All ewe/ram lambs must still have their lamb teeth with no exposure of yearling teeth. If a lamb has lost a temporary incisor or has visible signs of permanent incisors, the lamb will be placed in the yearling class. Lambs are subject to being mouthed at the discretion of the show management at any time.

- A Breeder's Flock shall consist of one eligible age ram, 2 yearling ewes, and 2 ewe lambs. Best Four Lambs shall consist of four lambs of either sex. All animals in a breeding group class must be owned by one individual and shown in either 4-H or FFA, but not both.
- Should 25 head or more be entered in any class, the class will be randomly split into two subclasses for elimination judging. No premiums will be paid for subclasses.
- Youth show exhibitors are encouraged to enter the Open Sheep Show with entries and fees due by 6:00 PM, Thursday, August 13 at the Open Sheep Show Office. No late entries will be accepted.**
- ENTRY INFORMATION:** The Class Code must include the Division number and Class number. **EXAMPLE:** If you are entering a Dorset Ram Fitted lamb born in January of 2026, your class entry would be: **1619 - 59** (1619 for Youth Breeding Sheep; class 59 for Dorset Ram Fitted Lamb, born Jan 1-Feb 15, 2026.)

GENERAL FFA POLICIES

1. All entries in the FFA Department must be from a Wyoming High School Agricultural Education Department and must be certified FFA projects. All members and chapters must be in good standing with the State Association.
2. All qualifying contests fall under the specific guidelines of the state contest for which the FFA member intends to qualify. (Example: County Showmanship for State FFA Showmanship.)
3. Read carefully the General Policies & Procedures and Youth Dormitory Regulations of the Wyoming State Fair. FFA exhibitors and advisors will abide by all applicable policies.
4. FFA Exhibits buildings open to receive entries at 8:00 AM, Monday, August 11th. All exhibits must be checked in and be in place no later than 5:00 PM, Monday, August 10. Exhibits shall not be released until 6:00 AM, Sunday, August 16. (Open Static releases at 8:00 AM.)
5. FFA member project entries in Agronomy, Ag Mechanics, and Classroom should be made out in the member's name, and member's complete address must be included.
6. All FFA Chapter Agronomy, Ag Mechanics and Classroom entries should be made in the Chapter name and Chapter address.
7. A processing fee will be made for FFA exhibits in the Youth Livestock Department. Applicable fees will be charged where FFA entries compete in Open Class. All entries must be made with the approval of, or through, the respective Agricultural Education Instructor (A.E.I.).
8. **DORMS:** Each student attending the State Fair and staying in the dormitory must furnish their own bedroll and personal items. Cots and mattresses will be furnished. Information on the cost of dormitory room, meals, insurance, and registration will be sent out by the State Office. All students must have medical release forms. Each student not staying on grounds will purchase daily grounds admission.
9. **DORMS:** All chapter advisors having students in attendance at the State Fair representing their local school and FFA chapter and housed in a State Fair-provided dormitory **must** stay with their students and be responsible for the actions of their students at all times. Teachers will make certain in advance that their members are properly chaperoned in either the Girls Dormitory or Boys Dormitories.
 All FFA livestock exhibitors are expected to stay in the dormitory with their chapter advisor, but at the discretion of the chapter advisor, an exhibitor may produce and submit an affidavit or release of liability signed by the student, parent(s) or guardian, the chapter advisor, and local school administrator to transfer the supervision of that student to another, relieving the chapter advisor of his/her responsibility to that child. This would therefore grant the student the ability to seek alternative accommodations which would be suitable to all parties involved. Failure to provide an affidavit or release, or failure to comply with this policy, will result in student dismissal from State Fair participation. All youth using the dormitory facilities will be responsible for the cleaning of the dorms throughout the week. Any member leaving the dormitory between night curfew and 5:00 AM must have the permission of an adult advisor/chaperone to do so.

Agriculture Mechanics

DIVISION 1701

10. **CHAPERONES:** Advisors must provide a chaperone for every 10 students, or arrangements must be made for these students to be properly chaperoned at all times. Directions will be given from Stacy Broda for online registration in dorms and youth livestock reservations. Online registration must be completed Friday, August 7th by 6:00 PM.
11. Any FFA member exhibiting at the Wyoming State Fair will not consume alcoholic beverages or other illicit drugs, regardless of age. Any youth identified with liquor or drugs will be sent home and will forfeit all awards and premiums. Any further disciplinary actions will be at the discretion of the local school or county involved.
12. Any violations of policies pertaining to member conduct (disorderly conduct, fighting, insubordination, etc.) will result in action taken by the Dorm Committee and/or State FFA Advisor.
13. **Livestock Fitting Policy:** An FFA member is expected to fit their own animal at State Fair. However, in the interest of safety and education, an FFA member may be assisted by another bona fide Wyoming 4-H or FFA member. Assistance is defined as a learning situation where the person doing the assisting is teaching the FFA member a technique in fitting or showing. This person is allowed only to show the FFA member the proper skill or techniques, and the FFA member is expected to perform the majority of each technique/skill required. Violations of this regulation must be reported to the Show Superintendent before the animal enters the ring. A decision by the Show Superintendent will be made before the animal is allowed to enter the ring. If an FFA member is found to be in violation of the fitting regulations, they will be disqualified from competition in any FFA or Youth Show Division contest at the Wyoming State Fair, including Showmanship Contests.
14. All designated committees will be responsible to resolve any problems arising in their competition area.
15. **GRIEVANCES:** FFA Eligibility (exhibit or exhibitor): All grievances pertaining to the eligibility of an exhibit or exhibitor must be submitted in writing and accompanied by cash or certified check for \$50. If the grievance is allowed, the check and/or cash will be returned. The grievance must be submitted to the Event Superintendent and must be submitted with 24 hours of the infraction. The Grievance Committee will be composed of the Event Superintendent, Livestock Superintendent, and a State FFA Office Representative. The decision of this group will be final.
16. All chapters are responsible for keeping their dormitory area clean and leaving it clean upon departure. Any gross infraction of this policy will result in the withholding of that chapter's premiums.
17. **Absolutely no mistreatment of animals will be tolerated, and infractions may result in immediate dismissal of member from the grounds.**
18. **All FFA members must attend the FFA Exhibitor Meeting with their Advisor on Monday, August 11 at 9:00 PM, in McKibben Cafeteria.**
19. **CREDENTIALS:** Wristbands, season meal tickets, event tickets, advisor parking, and feed trailer passes **will be issued to advisors/educators only.** None will be issued directly to FFA exhibitors or their families. Individuals not staying on grounds will be required to purchase daily grounds admission if other proper credentials are not purchased. One day shows/events (rabbit show, etc.) are exempt from the wristband fee, but will purchase daily admission. Admission to specific youth activities will be based upon properly applied wristbands only. No Exceptions.
20. **ENTRY INSTRUCTIONS:** The class code must include the Division number and Class number. **EXAMPLE:** If you are entering Agronomy in Noxious Weeds; your class entry would be: **1702-4** (1702 for Agronomy Division; 4 for Class 4-Noxious Weeds.)
NOTE: A Chapter may only have one chapter entry number.

- Entries will be judged on the basis of workmanship, evidence of sound planning, number and degree of skills involved, practicality and agricultural usefulness of the entry.
 - All entries must be student's work and result from the training program in Agriculture Mechanics.
 - The judges reserve the right to re-enter entries in classes in order to make up more judgeable groups of entries.
 - Judges shall give greater consideration to an item built entirely by the student rather than a pre-fabricated item.

 - All projects not of quality will not be judged. This will be left to the discretion of the Agriculture Mechanics Committee. The items must be removed from the display area.
 - Any entries in the Agriculture Mechanics Class that are found to have been shown in previous years will disqualify that chapter for all premiums for the current year in the Agriculture Mechanics show. The Agriculture Mechanics Committee shall have the responsibility for making this decision.
 - Skill boards must show at least 4 different skills to include: electrical wiring, plumbing, knot tying, gas welding or arc welding. Skill boards are scheduled as small projects.

- Dormitories:** The Wyoming State Fair offers a housing opportunity to all 4-H members and designated county 4-H adult chaperone participants. No one will be permitted to stay in the 4-H section of the dormitories without appropriate credentials. Each county is assigned beds in the 4-H section of the dormitories. The head 4-H dorm chaperones will be in charge at all times.
- Credentials:** Season pins/passes, meal tickets, and parking passes requested through the credentials form will be issued to UW Extension Educators ONLY. None will be issued to youth or their families directly.
- Conduct:** Every 4-H member and 4-H adult volunteer or chaperone signs an agreement outlining behavior expectations. While participating as a 4-H member or volunteer, that Code of Conduct or agreement is in effect.
- The use of alcohol, tobacco, and illegal drugs is prohibited at all 4-H events or activities. This applies to the 4-H section of the dormitories. Any 4-H member or 4-H adult chaperone that possesses or that has consumed alcohol or illegal drugs may be sent home. This can result in the forfeit of all awards, premiums and trips. Additional disciplinary actions may be taken at the discretion of the county 4-H program under the direction of the UW County Extension Educator.
- Medical Emergencies and Health Forms** - In the case of a medical emergency, seek immediate attention from medical professionals either by calling 911 or via the First Aid Station on the grounds. The matter will be addressed by staff from the State 4-H Office.

- Due to the absence of interview judging at the state fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others.

SECTION 2 - OBEDIENCE

- A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
- The First Year Beginner Novice Class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the First Year Beginner Novice class only once.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, must show the dog by these guidelines:
 - Junior and Intermediate exhibitors may move back or down one level.
 - Senior age exhibitors must show the dog at the highest level the dog has achieved.
- A dog receiving a qualifying score of at least 170 points at the designated annual county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
- High in trial must have a minimum score of at least 170 out of 200 plus five (5) additional points with each increase in level of difficulty. First year beginner novices are not eligible for this award.
- Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- All dogs must enter/leave the show ring and compete with a leash.
- Bait and/or toys are not allowed in obedience competition.
- Dogs soiling or urinating in the ring will be disqualified and receive no score.
- Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

- All dogs must enter and leave the ring on leash. Those competing in On Leash classes should do so with a 6-foot leash.
- Collars may be flat buckle (leather or nylon) or choke chains.

- Exhibitors entering more than one dog in any class may be assisted only by another 4-H member (from the same county, if possible) if the dogs must be shown at the same time. 2 dogs max per exhibitor.
- Classes 12-19 will be judged according to AKC standards, but it is not necessary that dogs be registered; they must be purebred - both animal parents of the same breed.
- Classes 20 and 21 are for cross-bred dogs - parents of different breeds - and will be judged according to the predominant breed characteristics and/or soundness, gait, condition, and grooming.

- Youth, with a dog shown in previous years by another 4-H member or a dog that has a standard agility title from another organization, or has received 3 qualifying scores from the designated annual County 4-H Show, must show the dog under these guidelines:

 - Senior 4-H youth must show the dog at the highest level the dog has achieved.
- All dogs must enter and leave the ring on leash.
- Level 1 dogs will run on a leash. Level 2 dogs must run off leash. Collars must be of a flat, buckle variety with nothing hanging from them such as tags.
- In levels 2-7, the handler may take a small toy or treat into the ring. Before the leash is removed at the beginning of the run, the toy or treat must be placed in a pocket so it will not fall out. It may not be removed until the leash is attached at the end of the run.
- Dogs in season will run at the end of each class.

3. Judges may or may not choose to open, taste, cut, handle, etc., any entry.
4. Judges will negatively evaluate entries using commercial cake or bread mixes or those with wrappers (cupcakes, muffins, etc.).
5. Exhibit on 6-inch or smaller, plastic-coated or Styrofoam plate when possible. When smaller items are exhibited (rolls, cookies, biscuits, etc.), enter 3 items for each class.

 - e) Altitude where product was processed
 - f) Style of packing (raw or hot)
 - g) Source of recipe
 - h) Drying process and internal temperature (for jerky)
3. Due to potential hazards of food-borne illness, judges may or may not choose to open, taste, unseal, handle, etc., any entry.
4. Clear, clean standard (usually half-pint, pint, or quart) Mason home canning jars in good condition with two-piece metal canning lids (flat lid and band) must be used. Regular or wide-mouth styles may be used.
5. All entries will be initially evaluated based on meeting current food safety guidelines from USDA and current UW publications found at <https://food.unl.edu/Youth/4-H-foods-judging-guide.pdf> & <https://uwyoextension.org/uwnutrition/category/food-preservation/>

Gardening & Horticulture

1. Entries must have been exhibited at the respective county fair and have been designated eligible for state fair entry. Example: If an entry of leaf lettuce got a purple placing at the county fair, an exhibitor may enter a new/fresh leaf lettuce entry in the Wyoming State Fair.

3. See Open Class Vegetable and Fruit Division for suggested number of items per entry.

Youth Show Sheep exhibitors wishing to enter the Open Sheep Show must be entered by the July 31 entry deadline OR by 6:00 PM, Thursday, August 13 in the Open Show Sheep Office. All entry policies and fees apply.
- All purebred animals exhibited must be registered with the appropriate Sheep Breed Association. Partnership owned animals must be entered in the name of the owner(s) as it appears on the Certificate of Registry. A copy of registration must be sent with entry form and the original made available for presentation to Show Management. After August 1, no late registration papers will be accepted, except for applications being made for lambs, in which case the breed association must provide a copy of which lambs have been applied for at least 48 hours (2 days) prior to show day. Substitutions may be made with the proper new registration papers being presented within the same class as the original entry only. All animals must be owned by the breeder/exhibitor by July 31 of the current year. All unregistered sheep will show in Division 1205 - Commercial Crossbred/Wool Type or Division or Division 1210 Commercial Crossbred/Wether Type.
- Should 25 head or more be entered in any class, the class will be randomly split into two subclasses for elimination judging. No premiums paid for subclasses.

Season admission pass is **NOT** good for parking. A Parking Permit must be purchased from the Exhibitor Office, located by the Rotary building, for any vehicle to be parked on the State Fairgrounds.
- Natural Colored Sheep** must be 35% colored and will be judged 60% on wool, 40% on conformation. Natural Colored Sheep entered in Divisions 1211, 1212, 1213 or 1214 may not enter Division 1201 through 1210 or Division 1215 through 1217, or vice versa. Not more than two premiums may be awarded to any exhibitor in the individual classes. Natural Colored Sheep wool length on all yearling and older sheep is expected to be 2 inches or longer. Bellies, heads, lower legs, and the dock area may have wool of any length preferred by the exhibitor. This means exhibitors may shear bellies and shape the rear quarter and head as short as preferred. It is acceptable to trim a sheep all over, as long as the 2 inch length is maintained on the part that is considered the fleece and does not change the natural shape of the sheep. Wool must be free of excessive vegetable contamination, manure, paint, permanent stains, wool rot, breaks or tenderness, and clotting. These problems will be penalized according to their severity.
- All processing and changes to be done between 12:00 and 2:00 PM, Friday of fair week.

3. Articles will be awarded first, second, third, or no premium, according to individual merit. **ONLY ONE FIRST, ONE SECOND, AND ONE THIRD PLACE AWARD SHALL BE AWARDED PER CLASS.**
4. Unless otherwise stated, Open Class Exhibitors need not have exhibited or placed at a County Fair in order to exhibit at State Fair.
5. Exhibitor may make only **ONE** entry in each class.
6. **ENTRY INFORMATION:** When filling out the entry form, the Class Code must include the Division Number and Class Number. **EXAMPLE:** If you are entering a Relief Carving in the Woodcraft department, Amateur-Adult status, your class entry would be: **214-6** (214 for Amateur-Adult Division, and 6 for Relief Carving).
7. Articles to be exhibited may be delivered to the Office of the General Manager of the State Fair. **Entry forms must be completely filled out (name, address, etc.) and attached to article, and all Processing Fees must be paid. All transportation charges must be pre-paid.** otherwise the exhibit will be refused. Articles to be returned will only be sent if postage is **pre-paid**. Adequate packaging (box, crate, etc.) for return of the article must be provided to WSF office.
8. Department Superintendents reserve the right to change any entry to a more appropriate class to ensure that like items are judged with like items.
9. Any item may be entered only one time at the Wyoming State Fair unless otherwise noted. Violations will result in loss of awards, premiums, and future privileges.
10. No article shall be entered to compete for more than one premium, except when it shall count as part of a collection or display.
11. No responsibility is assumed by the Wyoming State Fair in case of loss, theft, damage, or breakage of any exhibit, although due caution and care will be exerted to prevent such loss or damage.
12. In order to safeguard against loss in these departments, no one will be permitted to handle any article once put in place, with the exception of the department staff or judge. All articles entered for competition shall be under the control of the Superintendent of the Department.
13. Judges shall not award a prize to an unworthy exhibit. No premiums will be awarded to undeserving exhibits, whether there is competition or not. Judges do not have to award a placement if no qualifying exhibit is presented, and may award down (ie, may skip a 1st place and start with 2nd). **The judge's decision is final.** All judging will be "blind," with the exhibitor's info not displayed to the judge(s).

14. **PROFICIENCY LEVEL DEFINITIONS:** NOTE: Exhibitors may place into a higher proficiency level if they feel qualified to compete; however, an exhibitor cannot go to a lower level. WSF may combine or split levels as appropriate for the subject matter to foster better competition. Exhibitors must enter the same level in all classes in any given category (ie, if you enter as a professional in one leathercraft class, all leathercraft classes you enter should be at the professional level).

- a) **PROFESSIONAL** refers to those who derive significant income from the art or craft, and whose work is produced primarily for the purpose of selling; **OR** who have a diploma, certificate, degree, or three or more years of school training; **OR** teach in their discipline area.
- b) **ADVANCED AMATEUR** refers to those who have exhibited and won three (3) or more first prizes in accredited or recognized shows (including Wyoming State Fair), **OR** who have had professional training or education but have not completed more than three years.
- c) **AMATEUR - ADULT** refers to those who have not previously won three (3) first prizes **AND** have had little or no training or schooling in the discipline. Also refers to those who are 19 years or older as of January 1 of the current year.
- d) **YOUTH** refers to those who have not reached their 19th birthday before January 1 of the current year. Divided into **Senior** (14-18), **Intermediate** (11-13), and **Junior** (8-10). All ages based on age on January 1 of current year. Youth do not advance up based on previous wins.
- e) **CHILD** refers to those who have not reached their 8th birthday by January 1 of the current year. Children do not advance up based on wins.

Each area lists the available proficiency levels. Please pay special attention to ensure entry into the most appropriate level. The Wool department does not use proficiency levels. Sheep Lead has a separate class breakout based solely on age, not proficiency. Please see that section for the appropriate class by age.

15. Exhibitors may pick up their exhibits from the Department Superintendent on **Sunday, August 16 from 7:00 AM until 12:00 PM. No early releases are allowed in the interest of maintaining the integrity of the show.** Exhibitor or authorized person should present the exhibitor tag to obtain release of exhibits. Exhibits left in the building with no instructions for return will be held at the Wyoming State Fair Office until picked up by the exhibitor, but **not longer than September 1 of the current year (Exceptions- See Culinary and Gardening)**. Exhibits remaining after September 1st will become the property of WSF.

AI Assisted Artwork is art created using a generator tool like Midjourney, DALL-E 2, Jasper Art, and others. It is the artist's responsibility to ensure that they use the generator in accordance with all applicable laws.

1. For all classes in this division, a step-by-step account must be provided, with accompanying screenshots, of the prompts/direction given and the resulting images. This allows the judges to critique grasp of knowledge and proficiency in using the generator to produce the desired results. Exhibits submitted without this step-by-step account will not be judged. This should be submitted on standard letter-sized paper, one-sided, and in color. Artist's name should not appear anywhere on this paperwork.
2. For the entire division, no prompts/direction shall reference any specific artist (i.e. you cannot prompt something "in the style of Bob Ross" or "like van Gogh.") Any such direction to a specific artist will be grounds for disqualification, and the piece will not be judged.
3. For class 1, a starting image will be provided by WSF and the artist will manipulate it with at least four (4) alterations. For class 2, a starting prompt is given, which must be used as the initial prompt, and then manipulate with at least four (4) alterations.
4. Artists are expected to clean up any "glitches"--i.e., extra appendages, misshapen or distorted features, unrealistic colors or textures (unless going for a surreal effect), unintended elements or duplication. Any glitches that remain will be considered with prejudice for judging.

Miss Rodeo Wyoming 2026

Kate Budge

Kate Budge proudly serves as the Miss Rodeo Wyoming 2026. The 21-year-old daughter of Joey and Nicole Budge is a 7th-generation Jackson Hole native from Kelly, Wyoming, with deep roots in the Cowboy State. Kate's passion for rodeo began early. From barrel racing and goat tail tying at Wyoming Junior Rodeos to showing cutting and reined cow horses, she is an accomplished horseman. She twice qualified for the National High School Finals Rodeo in Girls Cutting and the Queen Contest.

A devoted 4-H member for 11 years, Kate showed market beef, horse, and sewing projects, and was honored with the Cody Shervin Memorial Award—one of Teton County 4-H's highest recognitions for leadership and integrity. Kate recently earned her Associate of Science in Business and Accounting from Laramie County Community College with a 4.0 GPA while competing on the college's Ranch Horse Team. She was named Outstanding Freshman and finished in the top ten at the Intercollegiate Stock Horse National Show. She is now pursuing a double major in Business Economics and Finance from the University of Wyoming.

Kate's platform, Long Live Cowgirls, addresses the leading cause of death for Wyoming women: cardiovascular incidents. Partnering with the American Heart Association, she promotes CPR education and has helped teach the basics to over 100 Wyoming FFA members. Outside the arena, Kate enjoys iced coffee, sudoku, podcasts, and spending time outdoors paddleboarding, and fishing with her family. She proudly represents the strength and spirit of Wyoming cowgirls.

GOLF CART USE POLICY AND GUIDELINES

To ensure the safety of all fair attendees and participants, all individuals operating a golf cart on Wyoming State Fair (WSF) grounds must adhere to the following policies. This agreement applies to staff, volunteers, vendors, exhibitors, sponsors, and members of the general public. All drivers of a registered golf cart are subject to these policy and guidelines, regardless of who signed the permit or registration form. It is the responsibility of the permit holder to ensure that every driver is aware of and complies with all policies and regulations.

Only licensed drivers aged sixteen (16) years or older may operate any golf cart on fairgrounds. Learner or student driver permits are NOT considered valid driver's licenses. Drivers of golf carts are subject to being stopped by WFSF Staff or contracted security personnel to provide proof of valid driver's license, at any time. Drivers must immediately follow any instruction given by WFSF Staff or contracted security personnel, including but not limited to stopping, slowing down, correcting behavior, yielding to pedestrians or livestock, altering routes, parking or relocating the cart, or ceasing cart operation.

Safety is our highest priority. Any person operating a golf cart in an unsafe or irresponsible manner may lose the privilege to drive on fairgrounds, and face additional penalties as determined by WFSF Management.

Note: ATVs are not permitted for use by vendors, exhibitors, sponsors, or the general public. Only WFSF staff and contracted security personnel are authorized to operate ATVs on the fairgrounds. The term "ATV" includes all commonly recognized All-Terrain Vehicles (ATVs), Off-Road Utility Vehicles (ORVs), and Recreational Utility Vehicles (RUVs) such as Polaris Ranger, Polaris RZR, Yamaha Rhino, Kawasaki Mule, and similar vehicles.

Golf Cart Requirements for Use

1. Drive extremely slowly and cautiously.
2. Permit and insurance requirement: Every golf cart must have a permit purchased at a fee of \$220 per cart, with proof of insurance provided at the time of registration.
3. Golf carts permit must be obtained at the WFSF Exhibitor Office (near the Rotary building) prior to use on the fairgrounds.
 - o An official permit will be issued and must be displayed on the cart throughout the fair.
 - o Unpermitted carts are subject to immediate confiscation by security and will be held until properly permitted.
4. Child Safety Awareness: Children are present throughout the fairgrounds and may not be attentive to moving vehicles. Extreme caution must be used at all times.
5. Livestock and Pedestrian Priority: Livestock and pedestrians always have the right of way. Drive with additional caution near livestock areas.
6. Restricted Areas and Hours of Operation: Golf carts are prohibited from the carnival area and main midway between 10:00 AM and 11:00 PM, except for authorized users (disabled services, security, vendor coordinator, maintenance crews). Golf carts must remain on the established Golf Cart Path and park only in designated areas.

Operational Safety Guidelines

- Never transport more passengers than the cart has seats for.
- Always lock and secure the golf cart when not in use.
- Never back up without checking behind you.
- Never shift gears while the cart is moving.
- Always maintain a safe speed appropriate to conditions.
- Do not overload carts beyond manufacturer specifications.
- Adjust speed for livestock, pedestrians, or adverse weather.
- Maintain safe following distances from other vehicles.
- Approach sharp or blind corners slowly and carefully.
- Keep hands, arms, legs, and feet inside the cart while moving.

Any person failing to comply with these policies and guidelines for operation will be reported to the contracted security company, and you will lose golf cart driving privileges on the Wyoming State Fairgrounds. If the violation is of sufficient severity, the golf cart may be confiscated on the spot by Security, the General Manager, or the golf cart company in charge of golf carts. Violations of a severe nature will be turned over to the Douglas Police Department for investigation.
