2026 Wyoming State Fair and Rodeo ROADMAP FOR FIRST TIME YOUTH EXHIBITORS

Exhibiting at the Wyoming State Fair is an exciting opportunity to showcase your hard work, make new friends, and gain valuable experience. Here's what you need to know:

GETTING STARTED

Eligibility Youth must be enrolled in 4-H (through ZSuite) or FFA in Wyoming to enter Youth Show Livestock competitions and 4-H/ FFA static competitions. All youth, regardless of club/chapter activity, may enter the Open Classes for both livestock and static, and are encouraged to do so.

County Fair Participation Youth 4-H and FFA Static (non-livestock/indoor) exhibits must qualify at the county level before advancing to State Fair. Livestock exhibitors do not need to qualify at the county level to enter State Fair. The exceptions for livestock are Champion of Champions and FFA Showmanship classes, both of which require qualification at the county level (COC) / chapter level (FFA). Any entry you make into the Open shows need not place at the county level.

Entry Process Livestock and FFA exhibits are entered via ShoWorks; 4-H static exhibits are entered via 4-H. Wyoming State Fair uses Group Entry, meaning 4-H educators/FFA advisors log in and do the entries for their respective groups. Each county may have different procedures for how they accomplish this, so check with your 4-H leader, Extension Educator, or FFA advisor on the process for your county. You, as the exhibitor and parent, will not be able to enter your 4-H/FFA projects into ShoWorks directly, but you can enter your Open projects! Please work with your educator/advisor to ensure you have access to the password that will get all your open projects entered under your same login as your youth projects. This will help ensure all your prizes are included in one check after fair.

Deadlines State Fair entry deadlines must be met. These can be found in the official premium book. The most notable deadlines are listed on page 11 under the General Information. Ownership deadlines are listed on page 19 under Youth Livestock. There are ownership and tagging deadlines, as well as entry deadlines. Talk with your educator/advisor if you are unsure of a deadline.

ADMISSIONS & FEES

Passes Daily or season passes are required for all exhibitors and guests starting Tuesday, August 11. Many educators/advisors will secure passes for the youth exhibitors (and sometimes, for the exhibitor's family) when submitting entries and credentials prior to fair. These passes are given to the educator/advisor and they will distribute them to their exhibitors. Check with your educator/advisor for the process in your county. Additional passes can be purchased for family and friends online or at the ticket booths at the fairgrounds.

Processing/Entry Fees All livestock are charged a processing fee, and there are some additional stock fees for the horse show. All youth fees are typically paid through the club/chapter/school. Each county, club or school may have a different way of collecting these fees from the exhibitor (and some cover all or part of the fees). Get with your educator/advisor to learn what fees you will need to cover and what help they may be able to give. These fees must be paid by the chapter/club/school upon arrival on grounds. Any additional passes, entry fees for Open class, parking, etc, must be paid upon arrival.

PREPARING FOR STATE FAIR

Static Exhibits Most 4-H indoor projects are transported by county Extension Educators. Oversized or fragile items may require personal delivery. Confirm with your county on how they do this.

Livestock Exhibits Some counties work together to transport animals, while many leave that up to individual families. Check with your educator, advisor, and county staff to verify your transportation options. Animals may begin arrival on grounds on Monday, August 10, at 8:00 AM, and must be in place by 5:00 PM that day.

Review the requirements for health certificates, brand inspections, drug declaration forms, breeding papers, and vaccinations. Make sure to bring all appropriate papers, certificates, and documentation with you. Brand paperwork, health certificates, vaccination records can all be digital as long as they are clear and accessible. Drug declaration forms must be a physical copy to turn in. Check show guidelines for breeding paper requirements.

It is a good idea to print out the section of this book that pertains to your species. You can use this as a reference when you get to the fairgrounds, knowing which classes you are in, show times, and the basic entry requirements. Be sure to familiarize yourself with the requirements, policies, and general expectations for fairtime.

Lodging Options There are several different lodging options for youth exhibitors. Both 4-H and FFA exhibitors have the option of staying in the dorms on the fairgrounds. If staying in the dorms, you will need to bring your own bedding and towels. The respective programs provide chaperones. There is also a campground with RV hookups on the fairgrounds if the whole family wants to come. Reservations for these spots open up on July 1st each year and can be made via the website, www.wystatefair.com. There are also several hotels and other camping options in and around Douglas. If needing a hotel, please keep in mind rooms sell out quickly, so book early.

Meals There is a cafeteria available to all exhibitors starting with dinner on Monday night. You can purchase a weekly meal pass or buy meal tickets separately. Your educator/advisor can assist you in pre-purchasing these, but they are also available once you arrive from the Exhibitor's Office. Don't forget there is also the midway and food court, with lots of tasty options. Some spending cash will go a long way!

Planning Your Visit Check out Converse County Tourism's website, <https://conversecountytourism.com/> to help plan your time in the Douglas area.

DURING FAIR WEEK

Arriving Upon arrival, check in with your species superintendent and follow their direction for unloading, stalling, etc. Each species superintendent has an office in the livestock area (either in the barn or nearby) or at the show tent (for walk in shows). Stall cards with contact details must be displayed in the pen for the duration of fair for cattle, goats, sheep, and swine.

Herdsmanship Pens must be cleaned by 9 AM daily. Most counties will have a trailer parked near the barns for storing extra feed and bedding. Work with your county advisors and educators to know when they will have those unlocked during the day. Any additional loading of supplies should happen during loading windows (5:00 AM-9:00 AM and 5:00 PM-9:00 PM daily). Be sure to bring enough bedding & feed to last the week! Limited shavings are available on grounds for purchase.

ROADMAP FOR FIRST TIME YOUTH EXHIBITORS

(continued)

Livestock Showing As a livestock exhibitor, be sure to note when your species needs to be checked in, weighed in (market classes), and classified (market classes). Some species use weight cards that must be turned in, and some have the animals pass over the scales. Check your species pages in the book for these times and locations. It is your responsibility to be present for these activities and turn in the required information on time.

On your show day, be ready to enter the ring when your class is called. Review schedules and listen for announcements. Be on time and exhibit good sportsmanship at all times.

Jackpot Shows The Wyoming Ag Teacher Association (WATA) puts on jackpot shows for each of the four market species (goats, swine, sheep, and cattle). You can enter these when you weigh in (beef and goats) or check in (for sheep and swine). Get with your species superintendent for more details. You will need cash to enter. There is more info in the Youth Livestock section of this book on entry fees and show times.

Have Fun Remember, fair is about celebrating all the things our exhibitors (YOU!) have accomplished over the past year. We hope you enjoy showing off your animals and non-animal projects. Be sure to check out the midway, exhibit halls, shows of other species, and the great entertainment on grounds while you are here!

Exhibits Release Youth livestock exhibits may leave starting Saturday, August 15, at 6:00 PM. Open livestock release times vary and are listed in this book. Statics vary by 4-H/FFA and Open, and times are listed in this book. You are responsible for cleaning the pens/stalls your animals were in before you depart.

AFTER FAIR

Premium Checks If your exhibits earned a monetary prize given by the WSF, known as a premium, a check will be mailed to the address provided on your entry (either online or submitted form for Open). If you had multiple entry files, or if you win a special 4-H award, you may receive more than one check. If you have not seen your premiums by September 30th, please first check with your advisor or educator. If a school or club address was used when they did entries, your check would have been mailed there. If they do not have it, call the WSF office and ask for Sara. The last day to report a missing or inaccurate check is November 1st, 2026.

Any exhibitor earning over \$600 in premiums must fill out a W-9 before the check will be released. If you believe you earned over \$600, please contact Sara in the office to complete your form.

Any exhibitor who has an animal exhibit drug tested will have their premiums held until the results are received and verified that they are negative or excusable.

Plan for Next Year Start thinking about your next project and how you can improve for the following year's competition! The fair will be August 17-21, 2027. We hope to see you and your exhibits there!

For more details, consult the Wyoming State Fair premium book or contact your county Extension Office or FFA Advisor.

POLICIES AND PROCEDURES

Youth livestock exhibitors must be familiar with and abide by all of the regulations of the Wyoming State Fair including those in the General Information section.

Eligibility Bona fide Wyoming 4-H and Wyoming FFA members in good standing are eligible to enter and participate as a representative of their respective county 4-H or FFA chapter. Youth must have exhibited or shown at their respective and most recent county fair.

Medical Release Forms All youth show exhibitors must have a completed medical release form from their respective youth organization.

Separate 4-H and FFA Entries Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their 4-H project or their FFA Supervised Agriculture Experience and enter the correct classes/divisions endorsed by their applicable organization.

Affiliation The Wyoming State Fair encourages Youth Show exhibitors to wear 4-H or FFA emblems.

Entry Process Entries in any youth livestock, 4-H, and FFA classes are completed by the member's respective 4-H Educator or FFA Advisor.

Youth exhibitors are encouraged to enter Open Class Livestock shows. Exhibitors who wish to enter Open shows must comply with those deadlines, regulations, and pay separate fees. Please see each Open Species show for details. Please note registration paper requirements for Open Class entries. See pages 63-73. Original registration papers or photocopies must be presented for all animals requiring them. Absolutely no "applied for" registrations will be accepted.

Processing Fee Each 4-H / FFA exhibitor in this department is required to pay a processing fee as a condition toward application for entry. Processing Fees are as follows:

\$ 20 / head for cattle

\$ 15 / head for equine (halter and performance)

\$ 10 / head for Alpaca, Sheep, Swine, Goats

\$ 3 per rabbit, poultry and wool fleece

This fee is due for every animal entered for exhibit, *even if not ultimately shown*. All fees must be paid in full, a club/school voucher submitted, or invoicing arranged with WSF by Monday of fair week at 8:00 PM. All invoiced amounts must be paid in full by September 30 of the current year.

Ownership All livestock must be owned by the individual member by the following dates of the current year:

February 1—Market Beef

May 1—Dogs

June 1—Market Lamb, Market Swine, Market Goats,
Poultry, Horses, All other youth livestock

Meat Rabbits—80 day rule

Brand Papers and Health Certificates See Animal Health requirements on page 17.

Tagging/Identification All Market animals must be properly tagged with an approved 15-digit RFID ear tag. Market animals not having the proper RFID tags in place will not be eligible to show. The tag must match the tag that was recorded at the spring tagging by the county, 4-H or FFA, and submitted to the State Fair by the tagging deadlines.

Stalling/Pens All youth show animals must be housed in the dedicated Youth section of the barns, unless given special written permission by the Youth Livestock Superintendent of the species in question, in cooperation and agreement with the applicable Open Show Superintendent.

FFA Advisors/ 4-H Educators making entry in the Youth Livestock Shows are to figure animal head count/stall/pen needs accurately and properly, especially in the case where facilities have specified limits for space allowed per county and/or chapter. Those individual counties/ chapters who over inflate their expected numbers or that exceed their reported numbers shall be fined \$100 and the processing fees for the next year's State Fair shall double (i.e., \$10 sheep fee goes to \$20) for all youth livestock shows. No exceptions. Honesty and integrity are the guide. These are reported on the Credentials & Invoicing Form, due to the Exhibitor's Office by 6:00 PM Friday prior to fair.

All stalling shall be assigned by the superintendents. No one may begin moving into stalls until assignments have been made. Tack stalls may not be claimed or moved into until ALL animals have been stalled, and must be within the assigned county's allocation of stalls. Beef tie-outs will be first come, first serve on Monday, but exhibitors may be asked to tighten up if need dictates. Superintendents will work with Endowment winners on any tack areas that were won.

On Display All youth animal exhibits in beef, goats, swine, and sheep are required to remain on exhibit for the duration of the State Fair. Animals must be in place by 5:00 PM on Monday and will be released starting Saturday night at 6:00 PM.

Bedding No bedding is provided except for initial bedding for cattle. Exhibitors must furnish their own bedding. See page 14 for more info.

Herdsmanship See page 14. Stall cards are to be completed and on display for the duration of fair.

Waste Removal Partnership All animal, feed, and bedding waste material from the State Fair goes to a recycling site to be composted. Please keep animal waste separate from man-made garbage. Have your stalls cleaned and refuse material in designated sites before 9:00 AM. After 9:00 AM all refuse material is to be removed to the nearest refuse container.

Livestock Trailers & Feed Delivery No livestock trailer can be parked on the grounds without proper permits displayed on the trailer. Complimentary trailer permits and feed delivery vehicle passes will be provided to one designated educator/advisor for each chapter and/or county. The number of permits provided is based on the number of registered youth livestock exhibitors from each chapter and/or county from the previous year, as indicated below.

	Exhibitors 1-10	11-30	31-50	51+
Feed Trailer Permits	1	2	3	4
Livestock Park & Feed Passes	1	2	3	4

Feed delivery vehicles may only be used during the designated hours of 5:00 AM to 9:00 AM and 5:00 PM to 9:00 PM. Violators will lose their feed delivery permit(s). Additional feed delivery vehicle passes may be purchased for \$100.00 each by the designated educator/advisor at the Exhibitor's Office.

All other livestock trucks and trailers are to be parked in the south end of the Pepsi Lot, west of Brownfield Road. **There are to be no livestock trailers parked in other locations on the grounds.**

Premium trailer parking is available through the WSF Endowment Fund Auction held annually in June.

Blocking Chute, Tables, Fitting Stands, and Fans See page 14.

Youth Fitting Policy Exhibitors must be present for and actively participate in the fitting of their animals. In the interest of safety and education, an exhibitor may be assisted at the Wyoming State Fair in the fitting of their animals. Assistance is defined as a learning opportunity where the person assisting is educating the youth exhibitor on the technique of ethical fitting as outlined within this premium book. Anyone found to be in violation of this policy may be subject to immediate disqualification or removal from the fairground by State Fair Management.

Unethical fitting at the Wyoming State Fair is defined as: the injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law, or any drug that is used in a manner prohibited by Federal, State, or Local Law; the injection or internal or external administration of any product or material, whether gas, solid, or liquid, to an animal that conceals, enhances, or transforms the true conformation, configuration, breed, condition, or age, or by making the animal appear more sound than otherwise would appear; the administration, use, or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes; tissue manipulation, removal, surgical attachment, or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair/wool or hair/wool substitutes, cloth, or fiber; any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef, sheep, swine, or goat carcasses.

Maintaining the integrity of the meat derived from the livestock exhibited at the Wyoming State Fair is the primary reason for the policies and procedures. Most of the market animals shown at the WSF were previously shown and sold before entry to the WSF. Exhibitors have a moral and ethical responsibility to produce meat that will be safe for the consuming public.

Exhibitor Participation During official class judging, only the exhibitor will be allowed in the show ring. In case of exhibitor sickness or other emergency, an animal may be shown by a substitute exhibitor, provided the substitute is a bona fide Wyoming 4-H or FFA member and the show Superintendent has been advised in advance of the show of the need and grants permission. In Showmanship classes, exhibitors must show their own animal, and no substitute exhibitor is allowed.

Unsportsmanlike Conduct It is considered a violation of the National Show Ring Code of Ethics to display unsportsmanlike conduct. Such conduct will not be tolerated, and offending exhibitors may forfeit awards and premiums, be dismissed immediately from the fairgrounds, and/or lose future eligibility to exhibit at the Wyoming State Fair.

Reporting Violations Witnessed violations of the Youth Show Policies should be reported to an adult to then be addressed as follows:

1. To the FFA Advisor or 4-H Educator of the member whose entry is involved.
2. If the situation is not resolved, report to the State organizational leadership of the member (State FFA Advisor or State 4-H Coordinator.)
3. If the situation is not resolved, report to a member of the Youth Show Committee to review.

If the situation might need further attention, an appeal can be made through the Wyoming State Fair formal protest policy. See page 16 for the formal policy.

Premier Exhibitor If a Premier Exhibitor award is given, it is based on total points won by an exhibitor in the division. First place placements count as 7 points, second place count as 6 points and third place counts as 5 points, and so on through 7th place with 1 point and all other placements (if awarded) as 0 points. This applies to Youth Livestock Premier awards only.

ANIMAL DRUG TESTING

The Wyoming State Fair will continue drug testing Market Swine, Beef, Goats, and Sheep. For these market species, drug testing will be mandatory for the top five placement winners and randomly selected market animals from each species.

Why At the Wyoming State Fair, we value education, animal welfare, protecting the food chain, and fostering fair competition. Drug testing is a valuable tool to help exhibitors and families to understand the possible implications of using substances on their animal.

Drug Declaration By 5:00 PM on Tuesday of the 2026 Wyoming State Fair, exhibitors MUST turn in their drug declaration forms to the Exhibitor Office drop box. **ONE FORM IS REQUIRED PER MARKET ANIMAL.** Drug Declaration forms can be found in the back of this book, at wystatefair.com, or picked up at the Exhibitor Office. Any exhibitor who does not turn in a declaration form by this time forfeits the right to contest in the case of a positive test. Exhibitors who have animals tested will have the opportunity to provide a secondary declaration at the time of testing to cover anything administered from 5:00 PM Tuesday and their show time.

Top Five Winners Sample collection will occur immediately following the judge's selection. The drug testing liaisons or a State Fair representative, along with a parent, guardian, or designated adult witness (age 18 or older), will escort the animal to a secured area. They will remain with the animal until a sample is successfully collected, sealed, and signed by both the testing liaison and the exhibitor's adult representative (or by the exhibitor, if 18 or older). Chain of custody best practices will be observed throughout the process. Once the WSF receives the test results, exhibitors will be notified by letter of the outcome and, if the results are negative or excusable, will receive their premiums.

Random Tests Prior to animals entering the show ring, a class and placement will be announced that will be required to do a random drug test. Sample collection will take place immediately following the judge's selection. The drug testing liaisons or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to the secured area and remain with the animal until a sample has been successfully collected, sealed and signed by the testing liaison and the exhibitor's adult representative (or the exhibitor, if 18 or older). Chain of custody best practices shall be followed. Upon WSF receiving the results, exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their premiums.

Consequences for Positive Tests Upon receiving a positive test result from the lab, a review panel will determine whether the result is excusable, and if inexcusable, the consequences for the exhibitor. The determination made by the review panel is final and not eligible for protest.

In the event of a positive test, the Wyoming State Fair will notify the exhibitor of the positive test and of the opportunity to contest the results by (1) requesting a test of the split sample, (2) providing written explanation and supporting documents for why the animal had a positive drug test result, or (3) both. The selection of the laboratory, or choice of laboratories, to be used for the testing of any split samples shall be determined by the Wyoming State Fair. The exhibitor is solely responsible for all costs associated with the testing of their animal's split sample. If an exhibitor elects to contest, the exhibitor must, within 7 days of receiving notice of the positive test result: (1) submit a written request for a test of the split sample along with proof that the exhibitor has paid the selected laboratory all costs associated with the test; (2) submit written explanation and supporting documents, if any, for why the animal had a positive drug test result; or (3) both. If the exhibitor fails to do either of the above, within the time provided, the exhibitor waives any right to contest.

To determine whether the original results are inexcusable and if consequences are warranted, the review panel will review the original drug test results, the split sample test results, if applicable, and any documents submitted by the exhibitor. If the review panel deems the original positive test inexcusable, the exhibitor will forfeit premiums and awards for the animal that tested positive.

Additionally, consequences for an inexcusable positive test may range from a 1-3 year probation period to a 1-3 year suspension period. During a probation period, the exhibitor's market livestock exhibits must be drug tested upon arrival at the Wyoming State Fairgrounds. The exhibitor will be responsible for drug testing fees during the probation period. During a suspension period, the exhibitor will not be permitted to show during the Wyoming State Fair.

In the case of a positive test resulting in disqualification, placements will not advance up.
